Polish legation in Denmark.

Scope and Content Note
This collection contains a large portion of the telegrams sent and received by the Polish legation in Denmark during the interwar period. They relate mainly to Polish-Danish relations and serve as a good source for the study of the international tensions that led to the outbreak of World War II.

These documents were formerly part of the Polish Foreign Ministry collection, acquired by the Hoover Archives in 1959, and were accessioned in the early 1990s as a separate collection. A microfilm copy of these materials has been deposited in the State Archives of Poland in Warsaw.
