INDEXES**Scope and Contents note**

Indexes prepared by Library of Social History prior to present arrangement of collection.

Box 106

Partial indexes prepared by Library of Social History, to writings by Joseph Hansen in Joseph Hansen papers, prior to present arrangement of collection 1983-1984**Scope and Contents note**

To correlate former locations listed in indexes with present locations, check data field TYP[e], which appears in every index. If TYP is coded L (for letter), turn to Letters Index and locate desired item alphabetically under name appearing in ADDRESSEE data field. All items in Letters Index are annotated to indicate box and folder number of present location. If TYP is not coded L, turn to Chronological Index and locate desired item chronologically under date appearing in ITEM# data field. All items in Chronological Index except those coded L are annotated to indicate box and folder number of present location. Note: Indexes do not include all writings or letters by Hansen.
