Explanatory Note
The August Zaleski Collection documents the activities of August Zaleski and Ewelina Zaleska from 1919 until 1981. The collection consists of two parts. Part I contains those papers of August Zaleski which were received by the Hoover Institution before 1984. Part II contains those Zaleski papers which were received by the Hoover Institution after 1984.

The materials of Part I are divided into seven series. Two of them, CHRONOLOGICAL FILE-I and WRITINGS-I, were organized by Zaleski's naval aide-de-camp Marjusz B. Hryniewicz-Moczulski who also compiled inventories for the first seven folders of the CHRONOLOGICAL FILE and for the whole series WRITINGS. The materials of Part II are divided into nine series. Three of them (CORRESPONDENCE, ALPHABETICAL-II; CORRESPONDENCE, CHRONOLOGICAL-II) were fully organized, and two others (GENERAL and WRITINGS-II) only partially organized by Hryniewicz-Moczulski. Hryniewicz-Moczulski also compiled inventories for these series and portions of series.

Hryniewicz-Moczulski's order has been largely preserved for all portions of the collection organized by him, and his inventories have been incorporated into the register.

An Index provides access to names and subjects listed in the register. The only access points which appear in the register but do not appear in the Index are the Polish government and Ministerstwo Spraw Zagranicznych of Part I. Ministerstwo Spraw Zagranicznych of Part II appears in both register and Index.
