Descriptive Summary

Title: Jerzy F. Karcz Papers,

Date (inclusive): 1917-1970

Collection number: 71028

Creator: Karcz, Jerzy F.

Collection Size: (40 manuscript boxes, 4 card file boxes, 1 phonotape (19 linear feet))

Repository: Hoover Institution Archives
Stanford, California 94305-6010

Abstract: Correspondence, writings, research notes, statistical surveys and reports, and miscellanea, relating to Soviet and East European agriculture and economics. Jerzy F. Karcz was also known as George Karcz.

Language: English.

Access

Collection open for research.

The Hoover Institution Archives only allows access to *copies* of audiovisual items. To listen to sound recordings or to view videos or films during your visit, please contact the Archives at least two working days before your arrival. We will then advise you of the accessibility of the material you wish to see or hear. Please note that not all audiovisual material is immediately accessible.

Publication Rights

For copyright status, please contact the Hoover Institution Archives.

Preferred Citation

[Identification of item], Jerzy F. Karcz Papers, [Box no.], Hoover Institution Archives.

Acquisition Information

Acquired by the Hoover Institution Archives in 1971.

Accruals

Materials may have been added to the collection since this finding aid was prepared. To determine if this has occurred, find the collection in Stanford University's online catalog at <http://searchworks.stanford.edu/>. Materials have been added to the collection if the number of boxes listed in the online catalog is larger than the number of boxes listed in this finding aid.
