Descriptive Summary

Title: Academy For Educational Development Records,

Date (inclusive): 1956-1986

Collection Number: 82010

Creator: Academy For Educational Development

Collection Size: 495 manuscript boxes, 6 oversize boxes (212 linear feet)

Repository: Hoover Institution Archives
Stanford, California 94305-6010

Abstract: Correspondence, speeches, memoranda, minutes, financial records, reports, studies, bulletins, photographs, phonotapes, and videotapes, relating to education in the United States, particularly higher education; education in underdeveloped countries; and the use of communications technology in education

Physical Location: Hoover Institution Archives

Language: English.

Access
Collection is stored off-site. It may be possible to have a limited number of boxes brought to the archives reading room for examination. A minimum of two days notice is required. Please contact the Hoover Institution Archives for further information.

The Hoover Institution Archives only allows access to copies of audiovisual items. To listen to sound recordings or to view videos or films during your visit, please contact the Archives at least two working days before your arrival. We will then advise you of the accessibility of the material you wish to see or hear. Please note that not all audiovisual material is immediately accessible.

Publication Rights
For copyright status, please contact the Hoover Institution Archives

Preferred Citation
[Identification of item], Academy For Educational Development Records, [Box no.], Hoover Institution Archives.

Acquisition Information
Acquired by the Hoover Institution Archives in 1982 with subsequent increments.

Accruals
Materials may have been added to the collection since this finding aid was prepared. To determine if this has occurred, find the collection in Stanford University's online catalog at http://searchworks.stanford.edu/ . Materials have been added to the collection if the number of boxes listed in the online catalog is larger than the number of boxes listed in this finding aid.
Biographical/Historical Note
American nonprofit institution for promotion of planning in education.

Scope and Content of Collection
Correspondence, speeches, memoranda, minutes, financial records, reports, studies, bulletins, photographs, sound recordings, and video tapes, relating to education in the United States, particularly higher education; education in underdeveloped countries; and the use of communications technology in education.
