Scope and Content of Collection
These papers consist of select records of the Soiuz leib-gvardii tsarskosel'skich strelkov, the veterans association of the Leib-gvardii 2-oi tsarskosel'skiii strelkovyi polk, liquidated in 1918. These records relate to the fate of the regiment's members in the emigration, dating from 1929 to 1938. Included among the documents are statutes, lists of members, and reports.
Detailed processing and preservation microfilming for these materials were made possible by a generous grant from the National Endowment for the Humanities and by matching funds from the Hoover Institution and the Holy Trinity Seminary.
The grant also provides depositing a microfilm copy in the Hoover Institution Archives. The original materials remain in the Holy Trinity Seminary Archives as its property. A transfer table indicating corresponding box and reel numbers is appended to this register. Any views, findings, conclusions or recommendations expressed in these materials do not necessarily represent those of the National Endowment for the Humanities.
