Scope and Content Note
This collection consists of a novel entitled "Vikhri revoliutsii," based on the author's experiences as an officer during the 1917 Revolution and Civil War in Siberia. It includes an introduction by M. P. Golovachev.

Detailed processing and preservation microfilming for these materials were made possible by a generous grant from the National Endowment for the Humanities and by matching funds from the Hoover Institution and the Museum of Russian Culture. The grant also provides depositing a microfilm copy in the Hoover Institution Archives. The original materials remain in the Museum of Russian Culture, San Francisco, as its property. A transfer table indicating corresponding box and reel numbers is available at the Hoover Institution Archives.

The Hoover Institution assumes all responsibility for notifying users that they must comply with the copyright law of the United States (Title 17 United States Code) and Hoover Rules for the Use and Reproduction of Archival Materials.
