## A Guide to the Davenport (built 1912; steam schooner) specifications and inspections

### HDC1307

San Francisco Maritime National Historical Park, National Park Service

2018, National Park Service

---

**Title:** Davenport (built 1912; steam schooner) specifications and inspections

**Date:** 1912, 1943, Undated

**Identifier/Call Number:** HDC1307 (SAFR 21366)

**Creator:** Unknown

**Physical Description:** 4 items.

**Repository:** San Francisco Maritime National Historical Park, Historic Documents Department

Building E, Fort Mason

San Francisco, CA 94123

**Abstract:** The DAVENPORT (built 1912; steam schooner) specifications and inspections collection (SAFR 21366, HDC1307) contains specifications and inspection materials from the years 1912, when it was built, and 1943, when it was still traveling from Puget Sound to San Diego. The envelope that is supposed to contain plans for the schooner (drawn by Kruse & Banks) is empty. The collection is open for use.

**Physical Location:** San Francisco Maritime NHP, Historic Documents Department

**Language(s):** In English.

#### Access

This collection is open for use unless otherwise noted.

#### Publication and Use Rights

Some material may be copyrighted or restricted. It is the researcher's obligation to determine and satisfy copyright or other case restrictions when publishing or otherwise distributing materials found in the collections.

#### Processing Note

The descriptions in this collection guide were compiled using the best available sources of information. Such sources include the creator's annotations or descriptions, collection accession files, primary and secondary source material and subject matter experts. While every effort was made to provide accurate information, in the event that you find any errors in this guide please contact the reference staff in order for us to evaluate and make corrections to this guide.

Please cite the title and collection number in any correspondence with our staff.

#### Preferred Citation

[Item description], [Location within collection organization identified by Collection Number/Series Number/File Unit Number/Item Number], HDC1307 (SAFR 21366), Davenport (built 1912; steam schooner) specifications and inspections, San Francisco Maritime National Historical Park

#### Acquisition Information

SAFR-00001

These items are part of a bulk accession from Golden Gate National Recreational Area when the San Francisco Maritime Museum became a National Historical Park in 1988. The creators of the collection are the Department of Commerce and Labor and the United States Coast Guard.

#### Historical or Biographical Note

According to the documents in the collection, the steamer DAVENPORT was built in 1912 at North Bend, Oregon, and the owner was the Str. Davenport Co. It was still traveling the Pacific Coast, between Puget Sound and San Diego, in 1943.

#### Collection Scope and Content

The DAVENPORT (built 1912; steam schooner) specifications and inspections collection (SAFR 21366, HDC1307) contains specifications and inspection materials from the years 1912, when it was built, and 1943, when it was still traveling from Puget Sound to San Diego. The envelope that is supposed to contain plans for the schooner (drawn by Kruse & Banks) is empty. The collection is open for use.
