Note on Description: The descriptions in this collection guide were compiled using the best available sources of information. Such sources include the creator’s annotations or descriptions, collection accession files, primary and secondary source material and subject matter experts. While every effort was made to provide accurate information, in the event that you find any errors in this guide please contact the reference staff in order for us to evaluate and make corrections to this guide. Please cite the title and collection number in any correspondence with our staff.

Preferred Citation
[Item description], [Location within collection organization identified by Collection Number/Series Number/File Unit Number/Item Number], HDC1632 (SAFR 23002), C.A. Thayer (built 1895; schooner, 3m) records, San Francisco Maritime National Historical Park

Acquisition Information
SAFR-02142
This collection was compiled in the course of park business and submitted by staff.

Historical or Biographical Note
Vessel History: The C.A. Thayer is a wooden-hulled, three-masted schooner, designed for carrying lumber. She was built in 1895 in Northern California at Hans D. Bendixsen’s shipyard in Fairhaven, CA. The original hull was made of dense, old-growth Douglas fir carefully chosen for shipbuilding. She sailed with a small crew consisting of four seamen, two mates, a cook, and the captain.

Collection Scope and Content
C.A. THAYER (built 1895; schooner: 3m) records, February-April, July, and October 2004, (SAFR 23002, HDC 1632) is a compilation of printed emails including color images regarding updates for the discovery (dismantling) phase of the restoration of the C.A. THAYER.
