Biographical / Historical

The Native Sons of the Golden West is a fraternal service organization founded in 1875, limited to native born Californians and dedicated to historic preservation, documentation of historic structures and places in the state, the placement of historic plaques and other charitable functions within California. In 1890 they placed the first historical marker in the state to honor the discovery of gold which gave rise to the state nickname "Golden State" and "Golden West."

The Native Sons of the Golden West (NSGW) is organized into Parlors, which are similar to branches or chapters in other benevolent and fraternal societies. Additional associations which supported the NSGW also produced records which are included in this collection. This collection includes materials from: Sunset Parlor, Native Sons Hall Association, Sutter Fort Parlor, Sacramento Parlor No. 3, and Oak Park Parlor.
