Santa Clara University permits public access to its archives within the context of respect for individual privacy, administrative confidentiality, and the integrity of the records. It reserves the right to close all or any portion of its records to researchers.

The archival files of any office may be opened to a qualified researcher by the administrator of that office or his/her designee at any time.

Archival collections may be used by researchers only in the Reading Room of the University Archives and may be photocopied only at the discretion of the archivist.

### Publication Rights

Santa Clara University Archives can only claim physical ownership of the collection. Users are responsible for satisfying any claims of the copyright holder. Permission to copy or publish any portion of Santa Clara University Archives'collection must be given by Santa Clara University Archives.

### Preferred Citation

Please use the following credit line: "[Title and date of image], [Source ID], courtesy [name of contributing repository], obtained from www.siliconvalleyhistory.org."

### Project Information: Silicon Valley History Online

This collection was created by Santa Clara University Archives staff from 2003-2004 as part of the Silicon Valley History Online Project.

Silicon Valley History Online is a collaboration of seven institutions providing the first gateway to the major historical resources of this important California region. Images dating from 1800 to 2000 illustrating life in California's Santa Clara Valley were selected from the collections of the California History Center, History San Jose, Intel Corporation Museum, San Jose Public Library California Room, San Jose State University Special Collections, Santa Clara City Library Heritage Pavilion,

and the Santa Clara University Archives. Items include photographs, ephemera, artifacts, maps and manuscripts. They were digitized as part of a one-year collaborative project funded by the Library Services and Technology Act (LSTA) administered by the California State Library. For more information please see the Silicon Valley History Online website at <http://www.siliconvalleyhistory.org/about.html> .

#### **Administrative History**

Santa Clara University, founded in 1851 by the Society of Jesus as "Santa Clara College," is California's oldest institution of higher learning. It was established on the site of the Mission Santa Clara de Asís, the eighth of the original 21 California missions.

#### **Scope and Content of Collection**

The Santa Clara University Archives collection includes photographs, manuscripts, artifacts, maps, ephemera, and administrative records documenting Mission Santa Clara and Santa Clara University. The majority of images included in Silicon Valley History Online are photographs of student life, campus events, the built environment, significant students or faculty, and Mission-period documents and artifacts.
