Conditions Governing Access

The donor of this collection has stipulated that the original manuscript and archival documents in this collection shall be used for research purposes only and not for commercial and/or financial gain. Individuals who wish to have photocopies made of any of the documents in the collection, or who wish to publish, reproduce or otherwise broadcast this material must first obtain the donor's permission in writing. Special Collections and University Archives will furnish contact information upon request.

If permission is granted, a duplicate of the permission letter should be sent to Special Collections along with a restriction and condition letter (<http://scua.sdsu.edu/collections/jfkrestrictionletter.shtml>.)

Conditions Governing Use

The copyright interests in these materials have not been transferred to San Diego State University. Copyright resides with the creators of materials contained in the collection or their heirs. The nature of historical archival and manuscript collections is such that copyright status may be difficult or even impossible to determine. Requests for permission to publish must be submitted to the Head of Special Collections, San Diego State University, Library and Information Access. When granted, permission is given on behalf of Special Collections as the owner of the physical item and is not intended to include or imply permission of the copyright holder(s), which must also be obtained in order to publish. Materials from our collections are made available for use in research, teaching, and private study. The user must assume full responsibility for any use of the materials, including but not limited to, infringement of copyright and publication rights of reproduced materials.

Source of Acquisition
