Title: Silicon Valley ephemera collection
Identifier/Call Number: M0443
Physical Description: 28 Linear Feet
Date (inclusive): 1976-2008
Abstract: A collection of ephemeral publications issued by or referring to the microelectronics industry of California's "Silicon Valley." Includes promotional material, price lists, conference proceedings, newsletters, etc.
Scope and Contents
An artificial collection of ephemeral publications issued by or referring to the microelectronics industry of California's "Silicon Valley." Includes promotional material, price lists, conference proceedings, newsletters, etc.
Acquisition Information
An artificial collection kept by the library; multiple donors.
Preferred Citation
Publication Rights
Property rights reside with the repository. Literary rights reside with the creators of the documents or their heirs. To obtain permission to publish or reproduce, please contact the Public Services Librarian of the Dept. of Special Collections.
Access
Collection is open for research; materials must be requested at least 24 hours in advance of intended use. The Media materials require at least two weeks advance notice to use in order to allow staff time to have use copies made from the original items.
Subjects and Indexing Terms
Santa Clara County (Calif.) -- Industries.
Microelectronics industry -- California -- Santa Clara County.
Computer engineering.
