Descriptive Summary
Title: Rose, Tom, collector. Ephemera collection documenting the electronics industry,
Date (inclusive): 1964 - 1988
Collection number: M1304
Collector: Rose, Tom
Extent: .75 linear ft. (1.5 manuscript boxes)
Repository: Stanford University. Libraries. Dept. of Special Collections and University Archives.
Abstract: The collection includes product catalogs, brochures, flyers, and handouts from electronics firms throughout the United States, as well as from U.S. subsidiaries of international electronics firms. The majority of the materials document electronic sound and data recording technology.
Language: English.

Publication Rights
Property rights reside with the repository. Literary rights reside with the creators of the documents or their heirs. To obtain permission to publish or reproduce, please contact the Public Services Librarian of the Dept. of Special Collections.

Acquisition Information
Gift of Tom Rose, 2002.

Preferred Citation
Tom Rose Ephemera collection documenting the electronics industry. M1304. Dept. of Special Collections, Stanford University Libraries, Stanford, Calif.

Biography
Tom Rose worked as a Design Engineer at Dynasonic Systems of Dallas, Texas. He held the same position at Continental Electronics, also located in Dallas.

Collection Scope and Content Summary
The collection includes product catalogs, brochures, flyers, and handouts from electronics firms throughout the United States, as well as from U.S. subsidiaries of international electronics firms. The majority of the materials document electronic sound and data recording technology.

Access Terms
The following terms have been used to index the description of this collection in the library's online public access catalog.
Electronics industry.
Science – History.
