Note
This is a listing rather than a true finding aid.
Language of Material: English
Contributing Institution: Department of Special Collections and University Archives
Title: Western mining documents, maps, and photographs
Source: Marc Selvaggio, Bookseller ABAA
Identifier/Call Number: M2157
Physical Description: 1.06 Linear Feet (1 manuscript box and 1 flat box)
Date (inclusive): c. 1900-1941
Special Collections and University Archives materials are stored offsite and must be paged 36 hours in advance.

Content Description
Materials include a variety of documents related to mining operations (primarily in California and Nevada, though with some documents related to Colorado and British Columbia), including plans, printed matter, reports on properties, agreements, financials, maps, several reports on tungsten, blueprints, photographs, and negatives.

Conditions Governing Use
Open for research. Note that material must be requested at least 36 hours in advance of intended use.

Conditions Governing Use
While Special Collections is the owner of the physical items, permission to examine collection materials is not an authorization to publish. These materials are made available for use in research, teaching, and private study. Any transmission or reproduction beyond that allowed by fair use requires permission from the owners of rights, heir(s) or assigns. See: http://library.stanford.edu/spc/using-collections/permission-publish

Immediate Source of Acquisition
This collection was purchased by Stanford University, Special Collections in September 2016.

Preferred Citation
[identification of item], Western mining documents, maps, and photographs (M2157). Dept. of Special Collections and University Archives, Stanford University Libraries, Stanford, Calif.

Arrangement
Arranged by material type.

Subjects and Indexing Terms
Mines and mineral resources -- California
Tungsten mines and mining
Mines and mineral resources -- Nevada

Box 1, Folder 1
Reports on properties, development and water system for Tulameen River, [British Colombia]

Box 1, Folder 1
Survey of Flume Line for Sootheran Property; Cover letter from R.K. Brown to John Heizer, November 1936 relating to dredging and hydraulic propositions

Box 1, Folder 2-4
