Note
This is a listing rather than a true finding aid.
**Language of Material:** English  
**Contributing Institution:** Department of Special Collections and University Archives  
**Title:** Michael Jang collection of Atari materials  
**creator:** Jang, Michael  
**Identifier/Call Number:** M2299  
**Physical Description:** 2.5 Linear Feet  
**Date (inclusive):** c. 1978-1991  

**Content Description**  
Prints and original concept sketches of Atari game cabinets, often in the form of photocopies or photographs. Collection is organized by project. Those projects that are covered completely include a conceptual sketch, production drawings, and finally the engineering prototype. In some cases, the only project documentation is the original conceptual sketch. Also includes one pinball concept model.

**Biographical / Historical**  
Mike Jang designed Atari video game cabinets. Atari, Inc. was founded in Sunnyvale, California, in 1972 and was succeeded in 1984 by Atari Corporation.

**Conditions Governing Access**  
Open for research. Note that material must be requested at least 36 hours in advance of intended use.

**Conditions Governing Use**  
While Special Collections is the owner of the physical items, permission to examine collection materials is not an authorization to publish. These materials are made available for use in research, teaching, and private study. Any transmission or reproduction beyond that allowed by fair use requires permission from the owners of rights, heir(s) or assigns. See: http://library.stanford.edu/spc/using-collections/permission-publish.

**Immediate Source of Acquisition**  

**Preferred Citation**  
[identification of item], Michael Jang collection of Atari materials (M2299). Department of Special Collections and University Archives, Stanford University Libraries, Stanford, California.

**Subjects and Indexing Terms**  
Jang, Michael
