URL: <http://library.stanford.edu/spc>

Language of Material: English

Contributing Institution: Department of Special Collections and University Archives

Title: William C. Dement papers

source: Dement, William C., 1928-

creator: Dement, William C., 1928-

Identifier/Call Number: SC0633

Physical Description: 205 Linear Feet138 Boxes

Date (inclusive): circa 1960s-1990s

Special Collections and University Archives materials are stored offsite and must be paged 48 hours in advance. For more information on paging collections, see the department's website: <http://library.stanford.edu/spc>

Conditions Governing Access

Materials in Series 5 are restricted for 75 years from date of creation. Materials are otherwise open for research use. Audio-visual materials are not available in original format, and must be reformatted to a digital use copy.

Preferred Citation

[identification of item] William C. Dement papers (SC0633). Dept. of Special Collections and University Archives, Stanford University Libraries, Stanford, Calif.

Conditions Governing Use

All requests to reproduce, publish, quote from, or otherwise use collection materials must be submitted in writing to the Head of Special Collections and University Archives, Stanford University Libraries, Stanford, California 94304-6064. Consent is given on behalf of Special Collections as the owner of the physical items and is not intended to include or imply permission from the copyright owner. Such permission must be obtained from the copyright owner, heir(s) or assigns. Restrictions also apply to digital representations of the original materials. Use of digital files is restricted to research and educational purposes.

Immediate Source of Acquisition

Gift of William C. Dement, 2002.

Scope and Contents

Collection mainly consists of correspondence, administrative records from various sleep research organizations he was involved in, and sleep studies and research. It also includes course materials and student work from the Sleep and Dreams course he taught at Stanford.

Biographical / Historical

William C. Dement is Professor Emeritus in the Department of Psychiatry and Behavioral Sciences at Stanford. He founded the Sleep Research Center at Stanford and co-founded the Sleep Research Society. He was also the founding President of the American Sleep Disorders Association (ASDA).
