Biographical/Historical Sketch

Harry L. Sanders came to Stanford in 1956 as associate director of planning. In 1960 he became director of planning, the University's first full-time director; he retired in 1976. In addition to managing the complex development of the campus, Sanders was a cofounder of the Society of College and University Planning, member of the design team for California State Highway 280, and planning consultant to Menlo College and Tulane University.
