**Panel on Health Care in the U.S.: A Work in Progress** 2010-04-14

Scope and Contents

Panelists: Enthoven, Alain; Fuchs, Victor; Garber, Alan; Milstein, Arnold. Co-sponsored by the Emeriti Council and the Stanford Historical Society, this panel discussion of problems and prospects of our country's health care system addresses an obviously important and timely topic. Among the topics the panel considered are the strengths and weaknesses of Congressional legislation; tradeoffs involving coverage, cost, and quality of care; how to limit the spiraling costs of health care; the political feasibility of various proposals for health care reform; and what the private sector and individuals can do regardless of what happens in Washington.
