Date (inclusive): 1903-1965

Special Collections and University Archives materials are stored offsite and must be paged 48 hours in advance. For more information on paging collections, see the department's website: http://library.stanford.edu/spc.

Biographical / Historical
Hopkins Marine Station is the marine laboratory of Stanford University, located in Pacific Grove, California. Founded in 1892, it is the oldest marine laboratory on the US Pacific Coast.

Scope and Contents
Collection primarily consists of early Hopkins Marine Station Resident Director Walter Kenrick Fisher’s correspondence; also includes clippings, reprints, photographs, and a partial typescript of “Life Between Tides.”

Immediate Source of Acquisition
Administrative transfer, 2016.

Conditions Governing Access
The materials are open for research use; materials must be requested at least 48 hours in advance of intended use. Audio-visual materials are not available in original format, and must be reformatted to a digital use copy.

Conditions Governing Use
All requests to reproduce, publish, quote from, or otherwise use collection materials must be submitted in writing to the Head of Special Collections and University Archives, Stanford University Libraries, Stanford, California 94305-6064. Consent is given on behalf of Special Collections as the owner of the physical items and is not intended to include or imply permission from the copyright owner. Such permission must be obtained from the copyright owner, heir(s) or assigns. See: http://library.stanford.edu/spc/using-collections/permission-publish. Restrictions also apply to digital representations of the original materials. Use of digital files is restricted to research and educational purposes.
