This encoded finding aid is compliant with Stanford EAD Best Practice Guidelines, Version 1.0.
**Language of Material:** English

**Contributing Institution:** Department of Special Collections and University Archives

**Title:** Paul F. Basch parasitology collection

**Source:** Basch, Paul F. (Paul Frederick), 1933-2001

**Identifier/Call Number:** SC1434

**Physical Description:** 7.75 Linear Feet (6 boxes)

**Date (inclusive):** 1978-1993

**Language of Material:** English

Special Collections and University Archives materials are stored offsite and must be paged 48 hours in advance. For more information on paging collections, see the department's website: http://library.stanford.edu/spc.

**Conditions Governing Access**

The materials are open for research use; materials must be requested at least 48 hours in advance of intended use. Audio-visual materials are not available in original format, and must be reformatted to a digital use copy.

**Conditions Governing Use**

All requests to reproduce, publish, quote from, or otherwise use collection materials must be submitted in writing to the Head of Special Collections and University Archives, Stanford University Libraries, Stanford, California 94304-6064. Consent is given on behalf of Special Collections as the owner of the physical items and is not intended to include or imply permission from the copyright owner. Such permission must be obtained from the copyright owner, heir(s) or assigns. Restrictions also apply to digital representations of the original materials. Use of digital files is restricted to research and educational purposes.

**Immediate Source of Acquisition**

Gift, 2018.

**Preferred Citation**

[identification of item] Paul F. Basch Parasitology Slides (SC1434). Dept. of Special Collections and University Archives, Stanford University Libraries, Stanford, Calif.

**Biographical / Historical**

Paul Basch was a parasitologist and professor emeritus of Health Research and Policy at the Stanford University School of Medicine.

**Scope and Contents**

Collection consists of parasitology teaching slides and audiovisual materials.

**Subjects and Indexing Terms**

Parasitology

Slides.

Basch, Paul F. (Paul Frederick), 1933-2001
