**Language of Material:** Undetermined

**Contributing Institution:** Department of Special Collections and University Archives

**Title:** Stanford University, School of Earth Sciences, honors theses

**creator:** Stanford University. School of Earth Sciences

**Identifier/Call Number:** SC4-2513

**Physical Description:** .5 Linear Feet(8 volumes)

**Date (inclusive):** 1987-2005

**Abstract:** Honors theses written by undergraduates in the Stanford University School of Earth Sciences.

**Scope and Contents**
The collection consists of honors theses written by undergraduates in the Stanford University School of Earth Sciences.

**Access to Collection**
This collection is open for research; materials must be requested at least 48 hours in advance of intended use. No photocopies may be made.

**Publication Rights**
Copyright is retained by the creator for materials they have authored or otherwise produced. Transmission or reproduction of materials requires the written permission of the copyright owner.

**Preferred Citation**
[Identification of item], Stanford University, School of Earth Sciences, Honors Theses (SC4-2513). Dept. of Special Collections and University Archives, Stanford University Libraries, Stanford, Calif.

**Acquisition Information**
Theses were transferred to the Stanford University Archives from the Hume Writing Center in 2011.

**Subjects and Indexing Terms**
Student papers.
Earth sciences -- Study and teaching.
Stanford University. School of Earth Sciences
