URL: http://library.stanford.edu/spc
Language of Material: English
Contributing Institution: Department of Special Collections and University Archives
Title: Stanford University, School of Engineering, honors theses
creator: Stanford University. School of Engineering
creator: Stanford University. School of Engineering
Identifier/Call Number: SC4-3025
Physical Description: 0.75 Linear Feet (2 boxes)
Date (inclusive): 1991-2012
Abstract: Honors theses written by undergraduates in the Stanford University School of Engineering.
Acquisition Information
Theses were transferred to the Stanford University Archives from the Hume Writing Center in 2011, 2017.
Scope and Contents
This collection consists of honors theses written by undergraduates in the Stanford University School of Engineering.
Access to Collection
The collection is open for research use; materials must be requested at least 48 hours in advance of intended use. No photocopies may be made.
Publication Rights
Copyright is retained by the creator for materials they have authored or otherwise produced. Transmission or reproduction of materials requires the written permission of the copyright owner.
Preferred Citation
[Identification of item], Stanford University, School of Engineering, Honors Theses (SC4-3025). Dept. of Special Collections and University Archives, Stanford University Libraries, Stanford, Calif.
Subjects and Indexing Terms
Engineering -- Study and teaching.
