Biographical/Historical note
Willard J. Classen earned his A.B. in geology at Stanford University in 1922.

Scope and Contents note
This collection contains a reprint of an article by Classen and Joseph J. Graham, "A Lower Eocene Foraminiferal Faunule from the Woodside Area, San Mateo County, California," 1955, with the original illustrations; a letter from Rixford K. Snyder talking about Greystone Quarry, the source of the sandstone used in building the first buildings at Stanford, 1991; and a short article by Classen on the Stanford University seal.
