Language of Material: English

Contributing Institution: University of California, Davis. Library, Dept. of Special Collections

Title: Walter E. Howard Papers

Creator: Howard, Walter E. (Walter Egner) (1917-)

Identifier/Call Number: D-048

Physical Description: 9.9 linear feet

Date (inclusive): 1951-2002

Abstract: Correspondence, reports, permit applications, research notes, photographs, and audio recordings concerning vertebrate pest management, including coyote baiting with toxic chemicals.

Researchers should contact Special Collections to request collections, as many are stored offsite.

Biography

Professor Emeritus of Wildlife and Fisheries Biology, University of California, Davis.

Scope and Content

Correspondence, reports, permit applications, research notes, photographs, and audio recordings concerning vertebrate pest management, including coyote baiting with toxic chemicals.

Access

Collection is open for research.

Processing Information

Liz Phillips processed this collection with help from student assistants Monica Doan and Julie Jeon.

Preferred Citation

[Identification of item], Walter E. Howard Papers, D-048, Special Collections, UC Davis Library, University of California, Davis.

Publication Rights

All applicable copyrights for the collection are protected under chapter 17 of the U.S. Copyright Code. Requests for permission to publish or quote from manuscripts must be submitted in writing to the Head of Special Collections. Permission for publication is given on behalf of the Regents of the University of California as the owner of the physical items. It is not intended to include or imply permission of the copyright holder, which must also be obtained by the researcher.

Subjects and Indexing Terms

Coyote -- Control

Rodents -- Control

Vertebrate pests -- Biological control
