Repository: University of California, Davis. General Library. Dept. of Special Collections.
Davis, California 95616-5292
Collection number: D-458
Language of Material: Collection materials in English.

Biography
Michael Gordon Mullins (1937-1990) received his B.S. in Agriculture from the University of Reading, England (1959), a postgraduate diploma in Agriculture from Cambridge University (1960), and his doctoral degree in the Faculty of Science (1964) from the University of London, England.
He then worked for three years in the division of Horticultural Research of the Commonwealth Scientific and Industrial Research Organization (CSIRO) in Adelaide, South Australia, spent one year in the Department of Agriculture Science at the University of Oxford, England, and returned to CSIRO in 1969.
Mullins served as the Foundation Professor of Horticulture at the University of Sydney, Australia before moving to the University of California, Davis in 1987 to accept the position of Chair of the Department of Viticulture and Enology.
Mullins passed away on November 13, 1990.

Scope and Content
The Michael G. Mullins Papers, which span the years 1965-1990, contain manuscripts and published versions of his writings, including reprints of his articles, typescripts of a paper entitled Application of Biotechnology to Viticulture, and two notebooks.
