Creator: Miller, Loye, 1874-1970

Title: Loye Miller Typescripts

Date (inclusive): circa 1920-1950

Extent: 0.2 linear feet

Abstract: Loye Miller (1874-1970) served as Professor of Biology at the University of California, Los Angeles. The collection contains photocopies of eleven typescripts by Miller, several of which describe his naturalist expeditions.

Physical location: Researchers should contact Special Collections to request collections, as many are stored offsite.

Repository: University of California, Davis. General Library. Dept. of Special Collections.

Davis, California 95616-5292

Collection number: MC124

Language of Material: Collection materials in English.

Biography

Loye Holmes Miller was born in Minden, Louisiana on October 18, 1874. He received an M.S. in Zoology from the University of California, Berkeley in 1903. In 1904 he became an instructor in Biology at the Los Angeles Normal School, later the University of California at Los Angeles. He remained on the faculty until his retirement as Professor of Biology in 1943. Miller passed away on April 6, 1970.

Scope and Content

The collection contains photocopies of eleven typescripts by Miller, several of which describe his naturalist expeditions. The typescripts are arranged in alphabetical order by title.
