Convenio Records

Title: Convenio Records
Creator: University of California (System)
Identifier/Call Number: AR-014

Abstract: Publications and reports from a "Convenio" (an agreement or pact) between the University of Chile and the University of California for a long-term cooperative program that embraced nearly all disciplines at the two universities. Entomology, plant pathology, and pomology were considered top priority. The program received financial support from the Ford Foundation.

Researchers should contact Archives and Special Collections to request collections, as many are stored offsite.

Scope and Contents
Publications and reports from a "Convenio" (an agreement or pact) between the University of Chile and the University of California for a long-term cooperative program that embraced nearly all disciplines at the two universities. Entomology, plant pathology, and pomology were considered top priority. The program received financial support from the Ford Foundation.

Separated Materials

Access
Collection is open for research.

Preferred Citation
[Identification of item], Convenio Records, AR-014, Archives and Special Collections, UC Davis Library, University of California, Davis.

Publication Rights
All applicable copyrights for the collection are protected under chapter 17 of the U.S. Copyright Code. Requests for permission to publish or quote from manuscripts must be submitted in writing to the Head of Special Collections. Permission for publication is given on behalf of the Regents of the University of California as the owner of the physical items. It is not intended to include or imply permission of the copyright holder, which must also be obtained by the researcher.
