URL: <https://www.library.ucdavis.edu/archives-and-special-collections>

Language of Material: English

Contributing Institution: University of California, Davis Library, University Archives

Title: University of California, Davis, Department of Entomology Records

Creator: University of California, Davis. Department of Entomology

Identifier/Call Number: AR-029

Physical Description: 6.8 linear feet

Date (inclusive): 1941-2019

Abstract: Files related to the department's Mosquito Research Program, microfiche of faculty research, slides of Briggs Hall, and audiovisual materials on bees.

Researchers should contact Archives and Special Collections to request collections, as many are stored offsite.

Scope and Content of Collection

Files related to the department's Mosquito Research Program, microfiche of faculty research, slides of Briggs Hall, and audiovisual materials on bees.

Access

Collection is open for research.

Processing Information

Liz Phillips encoded this finding aid with help from student assistant Aditi Sinha.

Preferred Citation

[Identification of item], University of California, Davis, Department of Entomology Records, AR-029, Archives and Special Collections, UC Davis Library, University of California, Davis.

Publication Rights

All applicable copyrights for the collection are protected under chapter 17 of the U.S. Copyright Code. Requests for permission to publish or quote from manuscripts must be submitted in writing to the Head of Special Collections. Permission for publication is given on behalf of the Regents of the University of California as the owner of the physical items. It is not intended to include or imply permission of the copyright holder, which must also be obtained by the researcher.
