Abstract: Income ledgers (1910-1912); general ledgers (1914-1940); contingent fund and revolving fund ledgers (1911-1922); and financial reports (1938-1957).

Researchers should contact Archives and Special Collections to request collections, as many are stored offsite.

Scope and Contents

Income ledgers (1910-1912); general ledgers (1914-1940); contingent fund and revolving fund ledgers (1911-1922); and financial reports (1938-1957). These early historical account ledgers provide many clues to the activities of the campus from its earliest establishment as the University Farm. Several examples of entries include the Library's purchase of "Revue de Viticulture" in 1910 and the University's purchase of silkworm eggs from a firm in Tokyo in 1914.
