URL: <https://www.library.ucdavis.edu/archives-and-special-collections>

Language of Material: English

Contributing Institution: University of California, Davis Library, University Archives

Title: Department of Botany Records

Creator: University of California, Davis. Department of Plant Biology

Identifier/Call Number: AR-210

Physical Description: 9.6 linear feet

Date (inclusive): 1880-1998

Abstract: Publications, reprints, and microfilm related to the work of faculty members in the Department of Botany. Researchers should contact Archives and Special Collections to request collections, as many are stored offsite.

Scope and Contents

Publications, reprints, and microfilm related to the work of faculty members in the Department of Botany.

Access

Collection is open for research.

Processing Information

Liz Phillips encoded this finding aid with help from student assistant Aditi Sinha.

Preferred Citation

[Identification of item], Department of Botany Records, AR-210, Archives and Special Collections, UC Davis Library, University of California, Davis.

Publication Rights

All applicable copyrights for the collection are protected under chapter 17 of the U.S. Copyright Code. Requests for permission to publish or quote from manuscripts must be submitted in writing to the Head of Special Collections. Permission for publication is given on behalf of the Regents of the University of California as the owner of the physical items. It is not intended to include or imply permission of the copyright holder, which must also be obtained by the researcher.
