Descriptive Summary
Title: Convenio Records
Dates: 1965-1979
Collection Number: AR-014
Creator/Collector: University of California (System).
Extent: 1 linear foot
Repository: UC Davis. University Archives
Davis, California 95616-5292
Abstract: Publications and reports from a "Convenio" (an agreement or pact) between the University of Chile and the University of California for a long-term cooperative program that embraced nearly all disciplines at the two universities. Entomology, plant pathology, and pomology were considered top priority. The program received financial support from the Ford Foundation.
Language of Material: English
Access
Collection is open for research.
Publication Rights
All applicable copyrights for the collection are protected under chapter 17 of the U.S. Copyright Code. Requests for permission to publish or quote from manuscripts must be submitted in writing to the Head of Special Collections. Permission for publication is given on behalf of the Regents of the University of California as the owner of the physical items. It is not intended to include or imply permission of the copyright holder, which must also be obtained by the researcher.
Preferred Citation
Convenio Records. UC Davis. University Archives

Scope and Content of Collection
Publications and reports from a "Convenio" (an agreement or pact) between the University of Chile and the University of California for a long-term cooperative program that embraced nearly all disciplines at the two universities. Entomology, plant pathology, and pomology were considered top priority. The program received financial support from the Ford Foundation.
