Contributing Institution: Special Collections and Archives, University of California, Irvine Libraries
Title: Norman M. Weinberger papers
Creator: Weinberger, Norman M.
Identifier/Call Number: MS.F.043
Physical Description: 3.4 Linear Feet (4 boxes)
Date (inclusive): 1964-2010
Abstract: Norman Weinberger was a founding UCI faculty member in the Department of Psychobiology (now Department of Neurobiology and Behavior). He served as chair of the department, interim dean of the School of Biological Sciences, and helped found the Center for the Neurobiology of Learning and Memory (also a Fellow of the Center). The Norman Weinberger papers contain administrative files on the departments and school; publications by Weinberger; his speeches and talks at various conferences and early teaching material.
Language of Material: English.
Access
The collection has not been processed. It may contain restricted materials. Please contact the Department of Special Collections and Archives in advance to request access.
Publication Rights
Property rights reside with the University of California. Copyrights are generally retained by the creators of the records and their heirs, unless transferred to the University of California. It is the responsibility of the researcher to determine who holds the copyright and pursue the copyright owner or his or her heir for permission to publish where the UC Regents do not hold the copyright.
