Collection Scope and Content Summary
This collection is chiefly comprised of photographs documenting World War II collected by William Jack Warner, a lieutenant in the U.S. Army during the war. Some of the photographs were taken by Warner and some were possibly taken by German soldiers. Images include military planes and tanks, German and U.S. soldiers, and sights in England and France. Also included are photographs of Warner, a portrait of Warner with his wife Bette, and Warner with a Belgian family with which he was billeted. Non-photographic material includes four pamphlets and one mimeographed document.
