Title: University of California, Irvine, Physical Planning and Construction Office papers
Identifier/Call Number: AS.024
Contributing Institution: Special Collections and Archives, University of California, Irvine Libraries
Language of Material: English
Physical Description: 14.4 Linear Feet (29 boxes)
Date (inclusive): 1961-2000
Abstract: This collection consists of information about the planning and construction of the University of California, Irvine campus from 1961-2000. From the Regents of the University of California are fiscal reports, agenda submittals, graphic materials, progress reports, and space assignments. There is also information about City of Irvine development plans, "bid" documents, construction documents, lists of projects, and a 16 volume scrapbook of newspaper clippings. Also included are independent consultant agreements and correspondence for architect and engineer contracts on campus.
Access
The collection has not been processed but is open for research. Please contact the Department of Special Collections and Archives in advance to request access.
