URL: http://special.lib.uci.edu
**Language of Material:** English

**Contributing Institution:** Special Collections and Archives, University of California, Irvine Libraries

**Title:** University of California, Irvine, University Communications audio and video recordings

**Creator:** University of California, Irvine. University Communications

**Identifier/Call Number:** AS.081

**Physical Description:** 13 Linear Feet (13 boxes)

**Date (inclusive):** 1965-2005

**Date (bulk):** 1980-2000

**Language of Material:** Collection materials are in English.

[https://calisphere.org/collections/26711/](https://calisphere.org/collections/26711/)

**Abstract:** This collection comprises over 400 audio and video cassettes collected by the University of California, Irvine, Office of University Communications that document university events that received local and national attention, including the opening of the Reeve-Irvine Research Center, campus awards, significant faculty accomplishments, and the UC Irvine Medical Center fertility study. Additionally, the collection documents staff training, event footage, and press conferences.

**Access**

The collection is open for research. Access to archival originals is restricted; users must use viewing copies. Please contact the Department of Special Collections and Archives in advance to request access.

**Publication Rights**

Property rights and some copyrights reside with the University of California. For permissions to reproduce or to publish, please contact the Head of Special Collections and Archives.

**Preferred Citation**

University of California, Irvine, University Communications audio and video recordings. AS-081. Special Collections and Archives, The UC Irvine Libraries, Irvine, California. Date accessed.

For the benefit of current and future researchers, please cite any additional information about sources consulted in this collection, including permanent URLs, item or folder descriptions, and box/folder locations.

**Acquisition Information**

Transferred from University Communications, circa 2007.

**Alternative Forms of Material**

Select items from this collection have been digitized and are available in Calisphere.

**Processing Note**

This collection has been minimally processed in order to facilitate access. Dates are approximate. Item titles are transcribed directly from the videocassettes without confirmation of content.

**Historical Background**

The Office of University Communications serves as the public affairs office for the University of California, Irvine. According to the university's Administrative Policies and Procedures, the Office of University Communications "leads efforts to promote UC Irvine's mission, priorities, and values; raise awareness of its achievements, accomplishments, and cultural events; and increase the involvement and support of its internal and external communities through regular communications to target audiences. Through partnerships with campus units designed to maximize University resources, University Communications manages an integrated strategic communications effort [.]"

**Collection Scope and Content Summary**

This collection comprises over 400 audio and video cassettes collected by the University of California, Irvine, Office of University Communications that document university events that received local and national attention, including the opening of the Reeve-Irvine Research Center, campus awards, significant faculty accomplishments, and the UC Irvine Medical Center fertility study. Additionally, the collection documents staff training, event footage, and press conferences.

**Arrangement**

This collection is arranged roughly into 4 series:

- **Series 1. UC Irvine produced video recordings**
- **Series 2. Not UC Irvine produced video recordings, from television**
- **Series 3. Not UC Irvine produced video recordings, professionally produced**
- **Series 4. Unidentified video recordings**
Subjects and Indexing Terms
Video recordings -- 20th century.
Video recordings -- 21st century

UC Irvine produced Series 1.
Scope and Content Summary
The series consists of audio and video recordings produced by University Communications for the promotion of university-related events and activities.

University of California Irvine Nobel Prizes in Chemistry & Physics OCN, CBS, ABC, CNN, PBS undated

UCI News 13, Schindler's list undated
box 1
Archival original AS-081-016-A
Physical Description: 1 vhs videocassette.

UCI Med Center Ad undated
Description
This video was digitized in 2015, however it revealed that the contents of the film actually included television cartoons and news broadcasts, not an ad for the Med Center (although it may exist as a commercial during the 3 hour recording). A preservation copy is stored in Merritt, but the use copy was removed from Nuxeo.
