**Processing History**

**Historical Background**

Sororities and fraternities were first established at the University of California, Irvine (UCI) in 1967. Greek Life was established as an administrative body at UCI in 1989 under the guidance of the Dean of Students. In 2019, it was renamed Sorority and Fraternity Life. Sorority and Fraternity Life's mission is to work with students to create an inclusive environment that challenges members to develop into leaders who uphold the values, oaths, and commitments of their collegiate fraternal organization at UC Irvine. Since 1967, UCI's fraternity and sorority community has grown to over 2,000 students.

UCI's Greek Songfest was established in 1980. It is the largest annual Greek-sponsored fundraiser at UCI. Fraternities and sororities perform renditions of Broadway musicals during the event. Each year the Greek community selects a different philanthropic organization as the recipient of the substantial funds raised by Songfest.

Several other organizations also oversee UCI's fraternities and sororities. The Interfraternity Council (IFC) serves as the self-governing body for 14 fraternities at UCI. Many fraternities are also member organizations of the North American Interfraternity Conference (NIC). Overseeing several UCI sororities is the Panhellenic Association, the local governing body of the National Panhellenic Council (NPC). The National Pan-Hellenic Council, Inc. (NPHC) provides leadership and training for nationally recognized fraternities and sororities of African American origin. The Multicultural Greek Council (MGC) was founded on June 8, 2009 to serve as the collegiate governing body of the culturally based fraternities and sororities at the UC Irvine campus. The Association of College Honor Societies (ACHS) oversees the Greek honor societies at UCI.
The dates in the following chronology represent the initial establishment of each chapter at UCI. Most Greek letter societies listed are chapters of national organizations, but some are local to Southern California or UCI. In most cases the date represents the year the chapter received its national charter. In other cases the date represents the year that UCI Sorority and Fraternity Life officially recognized the sorority or fraternity's existence, which in most cases preceded the date the national charter was granted. In some cases chapters have experienced a lapse in their charters or have since closed.
