**Creator:** University of California, Irvine. Library. Science Library.

**Access**

The collection has not been processed. It may contain restricted materials. Please contact the Department of Special Collections and Archives in advance to request access.

**Collection Scope and Content Summary**

This collection comprises architectural plans used in the design and construction of the Science Library at the University of California, Irvine from 1988-1991. Included are floor plans, site plans, elevations and electrical and plumbing plans. From 2010-2018, the Science Library was known as the Francisco J. Ayala Science Library. In June 28, 2018, Chancellor Howard Gillman removed Ayala's name from the School of Biological Sciences and the Library after the Office of Equal Opportunity and Diversity (OEOD) substantiated a number of sexual harassment claims against Francisco J. Ayala. The Library was renamed as the Science Library.
