Title: Forty-First Medical Society and Trust records
Identifier/Call Number: AS.141
Contributing Institution: Special Collections and Archives, University of California, Irvine Libraries
Language of Material: English
Physical Description: 4.5 linear feet (5 boxes and 1 oversize folder)
Date (bulk): Bulk, 1960-1970
Date (inclusive): 1945-1990
Abstract: In 1964, the 41st Medical Trust was established by the 41st Medical Society to support the unification of M.D.s and D.O.s (Doctors of Osteopathy) and to support and expand the California College of Medicine. On December 31, 1983, the trust was transferred to the UC Irvine College of Medicine where it is still used for research on musculoskeletal manipulation. This collection comprises correspondence, reports, articles of incorporation, newsletters, rosters, financial reports and other records documenting the establishment of the Forty-First Medical Society and Trust and its continued activities.
Creator: Forty-First Medical Society (Los Angeles, Calif.).
