Note
Revised and uploaded to OAC. 2017. KS.
**Language of Material:** English

**Contributing Institution:** Special Collections and Archives, University of California, Irvine Libraries

**Title:** University Archives Vertical Files collection

**Creator:** UCI Libraries. Department of Special Collections and Archives

**Identifier/Call Number:** AS.163

**Physical Description:** 16 Linear Feet (16 boxes)

**Date (inclusive):** 1960-2007

**Abstract:** The University Archives Vertical Files collection contains subject files organized alphabetically by topic or department. Materials within include fliers, brochures, posters, publications, informational packets, reports, and biographical information on the University of California, Irvine's people, departments, founding, and general history.

**Access**
The collection is open for research.

**Publication Rights**
Property rights reside with the University of California. Copyrights are retained by the creators of the records and their heirs. For permission to reproduce or to publish, please contact the Head of Special Collections and Archives.

**Preferred Citation**

For the benefit of current and future researchers, please cite any additional information about sources consulted in this collection, including permanent URLs, item or folder descriptions, and box/folder locations.

**Acquisition Information**
Materials in this collection were acquired through multiple departments and people. The collection was created and maintained as a subject file by the UCI Special Collections and Archives Department.

**Processing Note**
This collection was processed by intern Samantha Engler in Fall 2015.

**Historical Background**
The University Archives collect and preserve records of UCI's history. The archives' collections cover topics including "the planning and growth of the campus, the development and administration of academic and administrative programs and services, faculty concerns, student life and community relations." The Vertical Files are composed of a variety of materials which were gradually collected and sorted by the University Archives.

**Collection Scope and Content Summary**
The University Archives Vertical Files collection contains subject files organized alphabetically by topic or department. Materials within include fliers, brochures, posters, publications, informational packets, reports, and biographical information on the University of California, Irvine's people, departments, founding, and general history.

**Arrangement Note**
The collection is arranged alphabetically by topic.

**Collection History Bibliography**
