Contributing Institution: Special Collections and Archives, University of California, Irvine Libraries

Title: University of California, Irvine, Donald Bren School of Information and Computer Science technical reports

Creator: University of California, Irvine. Department of Information and Computer Science

Creator: University of California, Irvine. School of Information and Computer Science

Identifier/Call Number: AS.209

Physical Description: 13 Linear Feet (13 records cartons)

Date (inclusive): 1970-2004

Abstract: The Donald Bren School of Information and Computer Science (ICS) at the University of California, Irvine, began as a department in 1968. It was formally recognized as a school in 2002, and in June 2004 the School adopted benefactor Donald Bren's name in recognition of his generous contribution. The School focuses solely on the computer and information sciences, building educational programs and research initiatives that explore the broad range of the computing discipline - from circuits and systems to software engineering and human aspects of computing. This collection comprises technical reports created within the department and school from 1970 to 2004.

Language of Material: English.

Access
The collection is open for research.

Publication Rights
