Processing History
Organizational History
UCI Enrollment Services oversees the Office of Admissions and Relations with Schools, the Center for Educational Partnerships, the Office of Financial Aid and Scholarships, and the Office of the Registrar and Student Academic Information Systems.
The Office of Admissions and Relations with Schools is responsible for the selection and admission of new freshman and transfer students. It also builds cooperative educational relationships between UCI and California schools and colleges. The Center for Educational Partnerships (CFEP) builds partnerships with individuals and institutions to prepare K-12 students for the challenges of learning and academia, and at the university level to support undergraduate retention and enhance preparation for graduate school. CFEP also facilitates faculty involvement and provides teacher professional development.
The Office of Financial Aid and Scholarships provides students and their families with financial resources and information about scholarship opportunities. The office also offers individual financial counseling services. The office was previously named Financial Aids.
The Office of the Registrar and Student Academic Information Systems provides educational support services to the campus, including student services, academic records management, course scheduling, and degree and diploma processing.
