Language of Material: English
Contributing Institution: Special Collections and Archives, University of California, Irvine Libraries
Title: University of California, Irvine, School of Physical Sciences publications
Creator: University of California, Irvine. Division of Physics and Engineering
creator: University of California, Irvine. School of Physical Sciences
Identifier/Call Number: PS.076
Physical Description: 0.4 Linear Feet(1 box)
Date (inclusive): 1965-2017
Language of Material: English
Abstract: This collection contains publications from the School of Physical Sciences and its departments.
Access
This collection is open for research.
Publication Rights
Property rights reside with the University of California. Copyrights are generally retained by the creators of the records and their heirs. It is the responsibility of the researcher to determine who holds the copyright and pursue the copyright owner or his or her heir for permission to publish where the UC Regents do not hold the copyright. For information on use, copyright, and attribution, please visit: http://special.lib.uci.edu/using/publishing.html
Preferred Citation
University of California, Irvine, School of Physical Sciences publications. PS-076. Special Collections and Archives, The UC Irvine Libraries, Irvine, California. Date accessed. For the benefit of current and future researchers, please cite any additional information about sources consulted in this collection, including permanent URLs, item or folder descriptions, and box/folder locations.
Acquisition Information
Unknown source and date acquired.
Processing History
Processed by Laura Uglean Jackson, 2017.
Organizational History
The School of Physical Sciences was one of the founding schools at UC Irvine. Originally called the Division of Physical Sciences, it contained three departments (Chemistry, Mathematics, and Physics) since 1965. The Department of Earth System Science was added in 1989.
Collection Scope and Content Summary
This collection contains publications from the School of Physical Sciences and its departments. It contains information about events, curriculum, individuals, and academic programs within the School. There is also some documentation about the UCI Science Clinic teaching workshop and the Physics Computer Development Project.
Collection Arrangement
This collection is arranged in five series:
Series 1. School of Physical Sciences publications, 1967-2005, 0.1 linear feet
Series 2. Department of Earth System Science publications, 2008 and undated, 0.05 linear feet
Series 3. Department of Mathematics publications, 1967-1986, 0.05 linear feet
Series 4. Department of Physics and Astronomy publications, 1935-2003, 0.1 linear feet
Series 5. Department of Chemistry publications, 1967-2002, 0.1 linear feet

Alfred M. Bork papers, MS-F035, http://www.oac.cdlib.org/findaid/ark:/13030/kt196nd9s/
Subjects and Indexing Terms
University of California, Irvine. Division of Physics and Engineering
University of California, Irvine. School of Physical Sciences
University of California, Irvine. Department of Earth System Science
School Publications Series 1 1967-2017
Series Scope and Content Summary
The School Publications series contains publications generated at the School-level (as opposed to department) or pertaining to the entire School of Physical Sciences. Included is promotional information about events, activities, and the curriculum. Also contained in this series is a handful of documents pertaining to the UCI Science Clinic, a workshop for high school teachers.

General Publications Sub-Series 1.1 1967-2017
box 1 Announcements 1969, 1990, and undated
box 1 Brochures 1981-2005 and undated
box 1 Directories 1972
box 1 Flyers 1967-2017
box 1 Memoranda 1976-1978
box 1 Newsletters 2003
box 1 Programs 1982, 2003

box 1 Science Clinic Publications Sub-Series 1.2 1976-1984

Department of Earth System Science Publications Series 2 2008 and undated
Series Scope and Content Summary
This series contains a handful of publications with informational content for students/potential students as well as flyers for department events.

Brochures undated
Flyers 2008

Department of Mathematics Publications Series 3 1967-1986
Series Scope and Content Summary
This series contains publications from and about the Department of Mathematics. It includes announcements for special lectures, informational content for students and prospective students, memos, and a report.

box 1 Announcements 1971 and undated
box 1 Flyers 1978-1986
box 1 Memoranda 1967-1981
box 1 Reports 1973-1977

Department of Physics and Astronomy Publications Series 4 1965-2003
Series Scope and Content Summary
This series contains general publications from the Department of Physics and Astronomy as well as publications from the Physics Computer Development Project. It includes announcements for special lectures, informational content for students and prospective students, memos, and a report. The Physics Computer Development Project was one of the first projects to use computers for teaching and learning. This series contains information about the project and manuals and reports documenting the outcomes and procedures.
### General Publications Sub-Series 4.1 1965-2003

- Announcements 1971-1984
- Brochures 1968, 2001
- Course Announcements 1976, 1980
- Flyers 1965-2003
- Posters 1978
- Programs 1967-1988
- Reports 1978 and undated
- Technical Reports 1968, 1973

### Physics Computer Development Project Publications Sub-Series 4.2 1972-1979

- Manuals 1972-1978
- Poster circa 1975
- Reports 1979

### Department of Chemistry Publications Series 5 1967-2002

- Announcements 1968-1985
- Brochures undated
- Catalogs 1974, 2002
- Course Announcements 1978-1981
- Programs 1967-1980
- Posters 1989 and undated
- Schedules 1973-1984
