*Complete Producer’s Files for The Wrath of God*

- **Scope and Content Note**
- Starring Robert Mitchum
- Produced - Written - Directed by Ralph Nelson
- (for Metro-Goldwyn-Mayer)
- Of special interest to the study of film production.

The film was prepared in London and Los Angeles, filmed entirely in Mexico with post-production work done in Los Angeles. The files include reports on Mexican technicians, censorship in Mexico and regulations of the Sindicado, the Mexican technician’s union.

Four writers were involved in developing the screenplay in various versions, and all treatments and drafts are included, as well as the Writer’s Guild Arbitration, which finally gave to Ralph Nelson sole credit as the writer. This is unusual, since the Writer’s Guild is reluctant to give a producer or director any screen credit.

The catalogue of the files is attached.
