Biography

John S. Stiles Jr. was an employee of the United States Department of Agriculture. He enjoyed photography which he incorporated into his work and travels for the government agency.

Scope and Content

Collection consists of color photographic slides that feature the travels of John S. Stiles Jr. from circa 1954 to 1956. The focus of his work documents his tour of Brazil as an agent for the United States Department of Agriculture. The collection also includes images from his travels to Peru, the eastern United States and Canada. This collection provides a unique perspective of an American's interests in Brazilian culture. Much of the imagery of Brazil present the culture, landscape and agriculture, with a particular interest in local methods, technology, flora and fauna. Several other highlights include coastal and interior traditions such as: Carnaval, ferias (markets), jangadas (wooden boats), and fazendas (plantations).

Organization and Arrangement

The collection was arranged so that the box number within the finding aid corresponds to the "file number" of the slide sheet. This collection consists of 65 slides sheets, which hold 20 images per sheet.
