Title: Public Information Office. Moving image and audio recordings.
Identifier/Call Number: University Archives Record Series 333
Contributing Institution: UCLA Library Special Collections
Language of Material: English
Physical Description: 44 linear ft. (110 boxes)
Date: 1960-1999
Abstract: Record Series 333 contains moving image and audio recordings from the UCLA Public Information Office.
Creator: University of California, Los Angeles. Public Information Office.
Access
COLLECTION STORED OFF-SITE AT SRLF: Open for research. Advance notice required for access. Contact the UCLA Library Special Collections Reference Desk for paging information.
Publication Rights
Copyright of portions of this collection has been assigned to The Regents of the University of California. The UCLA University Archives can grant permission to publish for materials to which it holds the copyright. All requests for permission to publish or quote must be submitted in writing to the UCLA University Archivist.
Preferred Citation
[Identification of item], Public Information Office. Moving image and audio recordings (University Archives Record Series 333). UCLA Library Special Collections, University Archives.
Scope and Content
Record Series 333 contains moving image and audio recordings from the UCLA Public Information Office. Files include recordings of UCLA on the Air, news coverage, newscasts, public service announcements, public communications, interviews, promotional films, radio shows, inaugurations, commencements, anniversaries, and other UCLA events and happenings. Materials include tapes, reels, audio cassettes, digital audio tapes, Beta SP, VHS, 1/4" audio tapes, 16mm films, slides, 3/4" tapes, 1" reel to reel films, documents, and interview transcripts.
This is an inactive record series; no additional University records are expected to be added.
