Publication Rights
Copyright of portions of this collection has been assigned to The Regents of the University of California. The UCLA University Archives can grant permission to publish for materials to which it holds the copyright. All requests for permission to publish or quote must be submitted in writing to the UCLA University Archivist.
Preferred Citation
[Identification of item], Institute of Evolutionary and Environmental Biology. Administrative files (University Archives Record Series 586). UCLA Library Special Collections, University Archives.
Scope and Content
Record Series 586 contains the administrative files of UCLA’s Institute of Evolutionary and Environmental Biology. Files include documentation of Membership, Programs and Seminars, Research, and Student Relations Committees; information on the roles, membership, and actions of the Institute and Committees; annual and progress reports; correspondence; memos from the Director; proposals regarding grants and research projects; and other organizational materials.
One folder of Space Committee materials was found empty and removed.
This is an inactive record series; no additional University records are expected to be added.
