Descriptive Summary

Title: University of California, Riverside, Department of History field reports

Date (inclusive): 1975-2013, undated

Collection Number: UA 288

Extent: 18 linear feet (6 shelves)

Repository: Rivera Library. Special Collections Department.
Riverside, CA 92517-5900

Abstract: Graduate student field reports from the Department of History's Public History Program. Students in this program are required to complete a ten-week long internship that culminates in the creation of a field report. The length and content of the field reports vary by student.

Languages: The collection is in English.

Access

The collection is open for research.

Publication Rights

Copyright Unknown: Some materials in these collections may be protected by the U.S. Copyright Law (Title 17, U.S.C.). In addition, the reproduction, and/or commercial use, of some materials may be restricted by gift or purchase agreements, donor restrictions, privacy and publicity rights, licensing agreement(s), and/or trademark rights. Distribution or reproduction of materials protected by copyright beyond that allowed by fair use requires the written permission of the copyright owners. To the extent other restrictions apply, permission for distribution or reproduction from the applicable rights holder is also required. Responsibility for obtaining permissions, and for any use rests exclusively with the user.

Preferred Citation

[identification of item], [date if possible]. University of California, Riverside, Department of History field reports (UA 288). Special Collections & University Archives, University of California, Riverside.

Acquisition Information

The University of California, Riverside, Department of History field reports were acquired from the Department of History in 2008. Newly completed field reports are sent to the University Archives on a regular basis.

Collection Scope and Contents

Graduate student field reports from the Department of History's Public History Program. Students in this program are required to complete a ten-week long internship that culminates in the creation of a field report. The length and content of the field reports vary by student.

Collection Arrangement

The field reports in this collection are listed as they are received and are in no particular order. Perform a keyword search to locate a specific title or author.
