Acquisition Information

This collection was acquired as a gift in 2015.

Processing History

Processed by Ena Hillery and Bianca Lisik, 2015.

Processing of the Albert L. Page UCR Photograph Collection was completed by undergraduate students from the University of California, Riverside as part of the Special Collections & University Archives Backlog Processing Project started in 2015. This project was funded by the UCR Library and administered by Bergis Jules, University and Political Papers Archivist, and Eric Milenkiewicz, Manuscripts Curator.

Biography

Albert L. Page is an emeritus professor of environmental science and alumnus from the University of California, Riverside. His research and teaching focused on soil chemistry, ion-exchange equilibria, and biogeochemistry of trace elements. Page was also a noted member of the Soil Science Society of America (SSSA) and served as the society’s president in 1996.
