Descriptive Summary
Title: California Bureau of Sanitary Engineering Papers,
Date (inclusive): 1911-1963
Collection number: MS 80/3
Creator: California. Bureau of Sanitary Engineering
Extent: ca. 33 linear ft. (73 boxes)
Repository: Water Resources Collections and Archives
Riverside, CA 92517-5900
Shelf location: This collection is stored off-campus at NRLF. Please contact the Water Resources Collections and Archives staff for access to the materials.
Language: English.

Access
Collection is open for research.

Publication Rights
Copyright has not been assigned to the Water Resources Collections and Archives. All requests for permission to publish or quote from manuscripts must be submitted in writing to the Head of Archives. Permission for publication is given on behalf of the Water Resources Collections and Archives as the owner of the physical items and is not intended to include or imply permission of the copyright holder, which must also be obtained by the reader.

Preferred Citation
[Identification of item], California Bureau of Sanitary Engineering Papers, MS 80/3, Water Resources Collections and Archives, University of California, Riverside.

Arrangement
Papers arranged alphabetically by county and, within county, by municipality.

Scope and Content
Files of the former Bureau of Sanitary Engineering of the California Dept. of Public Health, located in Berkeley, California (now known as the Dept. of Health Services), relating to water quality. Form of material includes reports, correspondence, laboratory results and photographs. Materials include applications to construct and operate sewage treatment works; disposal of septic tank effluent; discharge of sewage and industrial waste from industrial plants; sanitary surveys; taste and odor problems; sewer outfalls; water permits; and history of municipal water-supply systems throughout California.

**Access Points**
Water -- Pollution -- California
Water quality -- California
Water quality management -- California
Sewage disposal plants -- California
Sanitary engineering -- California
Sewerage -- California
Groundwater -- California -- Quality
Ocean outfalls -- California

---

**California, General**

**Box Box 1**

0.1 Report on survey of operator protection at community sewage disposal works
0.2 Report on survey of public health implications concerning milk and meat producing livestock with relation to sewage disposal practices July, 1961.
0.3 Report on backflow protection at sewage treatment plants and sewage system pumping stations August, 1961.
0.4 Report on survey of irrigation practices of sewage effluent in Region I, August 1961.
0.5 Report on survey of relationship of sewage discharges to sources of water supply, Sept. 1961.

**Alameda County**

**Box Box 1**

1.1 Application of Mrs. Phoebe A. Hearst for sewage disposal permit, 1916.
1.2 Status of sewage disposal in Alameda County as of January 1, 1963...
1.3 Investigation of minimum dissolved oxygen over mud flats not affected by waste discharge, 1954.
1.4 Report on proposed drainage wells, Owens Tract, 1950.
1.5 Report on proposed drainage wells Shinn Subdivision, Niles, California, 1950.
1.6 Report on sewerage of Alvarado, 1935.
2.1 Miscellaneous laboratory analyses, resolutions, Alameda County correspondence, 1935-1954.

**Alameda (City)**

**Box Box 1**

3.1 Results of coliform testing, San Leandro Bay, 1955; Summary results of analysis from Bureau of Sanitary Engineering; resolutions on Alameda City sewage; dissolved oxygen study Oakland Inner Harbor; report on City of Alameda beach sites by Gerson Chanin, 1952; coliform group tests on Bay waters and summary on beaches.

</table>
Irvington

Box Box 2

12.1 [Correspondence concerning the public water supply of Irvington] 1913-1916.

Livermore

Box Box 3

13.1 General correspondence; laboratory results; resolutions for the city of Livermore; some photographs of the sewage area plan.
13.2 Application of Alameda for a permit to construct a sewer system and disposal works, 1917.
13.3 Application of the town of Livermore for sewage disposal permit, 1918.
13.4 Application of the Board of Supervisors of Alameda County for permit to construct sewer systems and disposal works, 1917.
13.5 Application of the town of Livermore to construct and use an Imhoff tank and filter beds, 1925.
13.6 Application of the Board of Supervisors of Alameda County for permit to construct sewage disposal works and dispose of sewage of Del Valle farm, 1923.
13.7 Application to the California State Board of Health from the Board of Trustees, 1925.

Livermore, Veterans Administration

Box Box 3

14.1 Laboratory results from the Regional Water Pollution Control Board and a photograph of the Veteran’s Administration Hospital site.

Oro Loma Sanitary District

Box Box 3

15.1 Oro loma and Castro Valley map showing main trunk sewers; application to the Board of Public Health; Castro Valley and Oro Loma agreement, 1941; flow diagram showing sewage treatment works; analysis from the Department of Public Health.

Oro Loma

Box Box 3

16.1 Application from Oro Loma Sanitary District for permit to construct and operate a sewage treatment works, to be located on the shore of San Francisco Bay, 1947.
16.2 Application of the Oro Loma Sanitary District for permit to construct and use a separate sludge digestion plant to be located on on the extension of Bockman Road on the shores of San Francisco, March 27, 1941.

Piedmont

Box Box 3

17.1 Grand avenue gauging station diagram; diagrams of the Piedmont sewer flow at stations A and B, 1949-1950; letters in regards to the Chapter 20 funds; existing sewerage questionnaire, 1911.

Pleasanton

Box Box 3

18.1 Regional Water Pollution Control Board checking program reports; resolution for the town of Pleasanton, 1951; tests of Pleasanton sewer farm, 1943; laboratory results of the Pleasanton Sewage Plant, 1953-1954; 1940 sanitary survey.
18.2 A report on operation of the town of Pleasanton sewage treatment plant, 1954.
### Alameda County

18.3 [Letter to Dr. Wm. C. Hassler concerning the possibility of sewage of Pleasanton reaching the San Francisco water supply].

18.4 In the matter of application from the town of Pleasanton for permit to construct and operate a new sewage treatment works at the site of the old plant... 1947

### San Leandro

**Box Box 3**

19.1 Analysis of well at disposal plant, San Leandro, 1941; resolutions for the city of San Leandro, 1952; application to the California State Board of Health, 1918; magazine articles, 1948; results of samples at San Leandro Sewage Treatment Plant, 1950.

19.2 Application of the city of San Leandro for a permit to construct a treatment plant for sewage and garbage..., 1938.

19.3 Application from the city of San Leandro to construct an use additions to the existing sewage treatment works at the foot of Davis street, 1946.

19.4 Specifications for constructing a 24-inch reinforced concrete outfall sewer with manholes from San Leandro Sewerage Treatment Plant to Mean Low Water San Leandro Bay, 1943; sewage treatment plant improvements for the city of San Leandro, 1946.

### Alpine County

### County

**Box Box 4**

### Amador County

**Box Box 4**

22.1 General correspondence (1912-1954).

22.2 Permit recommendation for the City of Jackson to construct and use intercepting and outfall sewers and sewage treatment plant..., 1936.

22.3 Ione sanitary survey, 1950.

### Amador (City)

**Box Box 4**

23.1 General correspondence (1940-1951).

### Plymouth

**Box Box 4**

24.1 City of Plymouth preliminary report on proposed sewage disposal project, 1953.

24.2 City of Plymouth report on proposed waste discharge; 1940 sanitary survey for Plymouth; memorandum from the State Dept. of Public Health on an accidental drowning of child in abandoned septic tank, 1950.

### Sutter Creek

**Box Box 4**

25.1 Photographs of Sutter Creek; sanitary survey for Sutter Creek by the State Dept. of Public Health.
**Butte County**

**Box Box 5**

26.1 Butte County Health Dept., a summary of public statistics, 1953.
26.2 Application of the Richvale Sanitary District for permit to construct and operate a sewage collection system..., 1948.
26.4 Butte County, by the Bureau of Sanitary Engineering, 1943.

**Biggs**

**Box Box 5**

27.1 Application of the City of Biggs for permit to construct sewerage system and disposal plant, 1921.
27.2 Application of North Burbank Public Utility District to dispose of sewage into tailing dumps of Ophir Gold Dredging Company..., 1939.
27.3 General correspondence; sanitary survey for Biggs; composition of works for Biggs Imhoff an filter design; existing sewerage questionnaire, 1911.

**Chico**

**Box Box 5**

28.1 Tentative requirements for Continental Unit Nut Comp. at Chico, by the Regional Water Pollution Control Board, 1951; supplement to reconnaissance survey, 1942; sanitary survey for Chico, 1940; application to use existing works to the State Board of Health, 1918; report on sewage disposal of Chico, 1916.
28.2 Sanitary surveys from different owners and locations (74 surveys), 1936.
28.3 Annual report of the City Clerk of the City of Chico, California, for the fiscal year ending June 30, 1912.
28.5 Application for permit to install a separate sludge digestion plant at the sewer farm, 1928.
28.6 Application for permit to install separate sludge digestion with disposal upon a new 123 acre sewer farm..., 1928.
28.7 Sewage disposal facilities for City of Chico, 1955.

**Gridley**

**Box Box 5**

29.1 General correspondence; water treatment records, 1964; City of Gridley sewage disposal plant area map showing buildings, 1945.
29.2 Application for permit to construct and use a high rate trickling filter sewage treatment plant..., 1945.
29.3 Report on sewerage and sewage disposal, 1913.

**Gridley Farm Labor Camp**

**Box Box 5**

30.1 General correspondence; analysis results for East Gridley and well for Gridley Resettlement Camp, 1937; California Migratory Camps, map showing purchase area, resettlement administration, 1936.

**Oroville**

**Box Box 5**

31.1 General correspondence; pictures of Oroville sewage treatment plant, 1939; map of Oroville and vicinity, map of the City of Oroville and proposed sanitary sewers, revised 1940.
31.2 Application for permit to enlarge, modify and operate the existing sewage treatment plant..., 1949.
Butte County

31.3 Special report on the water supply of Oroville, 1916.
31.5 Sewage Disposal Facilities for City of Oroville March, 1956

Calaveras County

County

Box Box 6
32.1 General correspondence (1934-1958).
32.3 Application of the Mokelumne Hill Sanitary District for permit to construct and use a new domestic sewage treatment plant..., 1947.
32.5 San Andreas - Mokelumne Hill sanitary survey, 1952.

Angels Camp

Box Box 6
33.1 Review of City of Angels sewerage project, by R.W. Rollins, 1963; memorandum report on the Angels sewerage project, 1947; [recommendations on the public health aspects of the proposed sewage discharge from the City of Angels], by the County Health Officer, 1951;
33.2 Application of Angels City to extend and enlarge the sewer system and to construct an Imhoff tank..., 1939.
33.3 Angels Camp sanitary survey, 1950-1951.

Colusa County

County

Box Box 6
34.1 Adequacy of Colusa Sewage Treatment Plant, 1946.
34.2 Application of the City of Colusa for permit to construct a new primary sewage treatment plant..., 1949.
34.3 Permit recommendation for the Maxwell Public Utility District to construct and use a sewer system and disposal plant..., 1936.
34.4 Application of the City of Williams for permit to construct a new sewer outfall and continue to operate a sewage treatment plant..., 1949.
34.5 Application of the town of Williams to construct a sewer system and Imhoff tank with disposal into salt creek, 1924.

Arbuckle

Box Box 6
35.1 General correspondence (1941-1952); photographs of Arbuckle sewage disposal, 1942.
35.2 Application of the Arbuckle Public Utility District for permit to construct and operate a sewage treatment works to serve the district..., 1947.

Colusa

Box Box 6
35.3 Colusa sanitary survey, 1953.

Maxwell

Box Box 6
35.4 Maxwell sanitary survey, 1951.

Williams
Colusa County
Williams

Box Box 6

35.5 Williams sanitary survey, 1950.
Contra Costa County

Box Box 7

36.1 General correspondence (1939-1964); photograph of the Maush Creek Prison Farm and of Point San Pablo, 1945.
36.2 Permit recommendation on application of the board of supervisors of Contra Costa County for permit to dispose of septic tank effluents from Rivercrest Sewer District..., 1935.
36.3 Report of conditions resulting from drainage from the Quicksilver Mine on Mt. Diablo, 1950.

Physical Description: (3 copies)

36.4 A report on sewage disposal facilities for the Home Acres Sewer Maintenance District, Rivercrest Sewer District and Bella Vista Sanitary District, 1953.

Physical Description: (2 copies).

36.5 Report and general plan for refuse disposal, 1957.
36.6 Application of the town of Hercules for permit to alter the existing sewage system and dispose of septic tank effluent to San Pablo Bay, Pinole Creek and Refugio Creek, 1949.
36.8 Engineer's report and supplement: supporting data and information, 1959.
36.9 Report on water pollution and sewage disposal in Contra Costa County, 1952.
36.10 Memorandum, Southern Public Utility District sewage force main, 1953.
36.13 Branch of County Jail sanitary survey, 1952.
36.15 Contra Costa County Water District sanitary survey, 1962.

Contra Costa County- Southern Pud

Box Box 7

37.1 General correspondence; resolutions on Contra Costa County; bacteriological analysis from Danville and Cameo Acres, Contra Costa County, 1953; negatives of prints used in Report on Southern Public Utility District sewerage facilities by B.S.E., 1953.
37.2 Report on Southern Public Utility District sewerage facilities, 1953.
37.3 Memoranda, Southern Public Utility District sewerage facilities, 1953.
37.4 Application from the Byron Sanitary District for permit to construct and operate a sewage disposal plant to serve the area of Byron..., 1948.
37.5 Application of the Brentwood Sanitary District for a permit to construct a clarigester-trickling filter plant..., 1940.

Central Contra Costa Sanitary District

Box Box 8

38.1 General correspondence; analysis of Central Contra Costa Sanitary District, effluent from ox. pond #4 and #1, 1949; agenda for meeting to consider problems of sewage overflows and bypasses in sewerage system, 1954; resolution on Walnut Creek, 1951
38.3 Preliminary survey proposed Central Sanitary District, Contra Costa County, California, 1945.
38.4 Preliminary investigation report on proposed Central Contra Costa County, Sanitary District, 1945.
38.5 Review of Preliminary report for a comprehensive sewer system, February 1953, 1954.

Antioch

Box Box 8

39.1 General correspondence; letters from the Regional Water Control Board on tentative requirements for the City of Antioch, 1950-1951; laboratory results for Antioch, 1954; summary of the design details of the proposed sewage treatment plant, 1951.
39.2 Application of the Fibreboard Products Inc., for permit to construct and operate a waste disposal system to serve a new works..., 1946.
39.3 Investigation and recommendations relating to the improvement of the water supply of Antioch, 1915.
39.4 Application of the City of Antioch for permit to construct and operate a sewage treatment plant to serve the City of Antioch..., 1949.

Antioch, Fibreboard Products Co.

Box Box 8

40.1 General correspondence; letters in regard to the Corps of Engineers' application for permit to lay pipe line in San Joaquin River and to construct intake structure near Antioch, 1946 and 1948.
40.2 Information on San Joaquin River in the vicinity of Antioch, reviewing the sewage permit application from the Fibreboard Products, Inc., 1946.

Bella Vista Sanitary District

Box Box 8

41.1 Recommendation in the matter of application of Bella Vista Sanitary District for permit to dispose of septic tank effluent into Shell Chemical Company waste canal, 1938.
41.2 A report on sewage disposal facilities for the Home Acres Sewer Maintenance District, Rivercrest Sewer District and Bella Vista Sanitary District, 1953.

Brentwood

Box Box 8

42.1 General correspondence; application to construct and use a Sewerage System, 1940, various analysis results from 1940-1963; Brentwood Sanitary District report on sanitary engineering survey, 1961.
42.2 Report upon the sewage treatment plant and domestic and industrial wastes, 1956.
42.3 Report on Brentwood Sanitary District sewage treatment plant, 1953.

Physical Description: 2c.

Clyde

Box Box 8

43.1 Sanitary survey for Clyde, 1940.

Concord

Box Box 9

44.1 General correspondence; photographs (5) of the Concord Sewage Disposal Plant, 1945.
44.2 Report on disposal of existing septic tank effluent from City of Concord into oxidizing ponds to be constructed on the City sewer farm, 1931.
44.3 Permit recommendation for the Pacific Gas And Electric Company to dispose of septic tank effluent from its steam electro generating plant at Oleum into San Pablo Bay..., 1940.
44.4 Permit recommendation for the Pacific Gas and Electric Company to discharge sewage and industrial waste from applicant's proposed power generating plant near Martinez into a tidewater slough east of town, 1940.
44.5 Application from the City of Concord for permit to construct and operate sewage treatment works..., 1947.
44.6 Permit recommendation for the Pacific Gas And Electric Company to discharge sewage and industrial waste from applicant's proposed power generating plant..., 1940.
44.7 On the question of granting sewage disposal permit to the Moraga Company, 1917.
44.8 General plan sewerage giant drainage basin, 1958.
44.9 Report on the disposal of sewage along the shore of San Pablo Bay and Carquinez Strait in Contra Costa County, 1917.
44.10 General plan sewerage, San Pablo drainage basin, 1957.
44.11 Report on sewage treatment plant and recommendations, City of Concord, 1954.
44.12 Application of the town of Concord for permit to dispose of its septic tank effluent into oxidizing ponds on the City sewer farm..., 1931.

Crockett Sewer Maintenance District

Box Box 9

45.1 Application of the Board of Supervisors of Contra Costa County to reconstruct and operate a series of outfalls serving the Crockett-Valona sewer maintenance district..., 1939.
45.2 Application of the Contra Costa County Board of Supervisors for permit to construct a sewage treatment plant to serve the Crockett Sewer Maintenance District..., 1949.

Danville Community Services

Box Box 9

46.1 General correspondence; letter to the Counsel of the Danville Community District in regards to requested information pertaining to the cost of construction and operation of an activated sludge plant, 1954; resolution for Danville Community Services, 1953; notice of informal hearing regarding the discharge of treated sewage into San Ramon Creek..., 1952.
46.2 (Revised) report on sanitary sewer system, collection, treatment and disposal for Danville Community Services District, 1953.

Diablo Valley College

Box Box 9

47.1 General correspondence; letter to J.A. Maga in regards to the Contra Costa Junior College, East campus Sewage Treatment Plant, 1954; resolutions for the Contra Costa Junior College, 1951-1952.

Hercules

Box Box 9

48.1 Investigation of tastes and odors in the water supply of Hercules and Pinole, 1917.
48.2 Disinfection of water from Pinole Creek at Pinole, 1916.

Walnut Creek

Box Box 10

55.1 General correspondence; Walnut Creek tomato cannery waste data, 1944; proposed sewerage questionnaire, 1913; Walnut Creek stream pollution survey, 1943; investigation of the sewage disposal plant of Walnut Creek, 1915; photographs of the Walnut Creek Sewage Disposal Plant, 1945.

55.2 Specifications for a complete sewer system for the town of Walnut Creek situated in Contra Costa County, California, 1913.

Del Norte County

Box Box 10

56.1 General correspondence; copies of the 1935 report of the Sanitation Division of the Del Norte- Humboldt Bi-County Health Department, 1954; lab results from Elk Creek near Crescent City, 1954.

56.2 Report on sanitation in the Crescent City area, 1954.

Crescent City

Box Box 10

57.1 General correspondence; photographs of Crescent City sewage pollution, 1948; coliform group tests on beach water samples, 1951.

57.2 Report to the Del Norte County Planning Commission, Del Norte, California, upon the flood water problem of Elk Creek watershed, 1954.

57.3 Crescent City ocean study, 1950.

57.4 Crescent City ocean study, 1951.

57.5 Analysis of Crescent City sewer system, 1953.

57.6 Application of the City of Crescent City for permit to supply water from proposed new works, 1957.

57.7 Report on sewage treatment for Crescent City, California, 1948.

57.8 Application of the City of Crescent City for permit to construct a sanitary sewerage system together with an outfall line..., 1923.

El Dorado County

Box Box 11

58.1 General correspondence; El Dorado preliminary sewer survey, 1947; photographs of Camp Sacramento; Berkeley- Echo Lake Camp diagram, 1941.

El Dorado County Subdivisions

Box Box 11

59.1 Letter in regards to the sanitary appraisal of the Pioneer Park subdivision conducted by the Bureau of Sanitary Engineering, 1954; letter from the Bureau of Sanitary Engineering in regards to the sanitation in Moulton Manor subdivision, 1954; letter from the Bureau of Sanitary Engineering in regards to the sanitary appraisal of the Rubicon Park Estates, Unit 1, 1954.

Lake Tahoe

Box Box 11

60.1 Lake Tahoe resort area in California; summary of findings from a preliminary sanitary survey, 1938.
El Dorado County
Lake Tahoe

60.2 Tahoe - Sierra sanitary survey, 1957.

Pollock Pines

Box Box 11

60.3 Pollock Pines sanitary survey, 1957.

Placerville

Box Box 11

61.1 Application of the City of Placerville to rehabilitate, enlarge, and operate the present sewage treatment plant, 1949.
61.4 Water supply of Placerville, 1916.

Note
[Item missing prior to January 2004.]

61.5 California State Board of Health report on sewerage and sewage disposal, Placerville, 1913.
61.6 Application of the City of Placerville for permit to construct and operate additions and alterations to the present sewage treatment works..., 1949.
61.7 Permit recommendation for the City of Placerville to operate a bio-filter plant just below associated oil company substation..., 1937.
61.8 Special report on the water supply of Placerville, 1916.

Tahoma

Box Box 11

61.9 Tahoma sanitary survey, 1954.

Fresno County

Box Box 12

62.1 General correspondence; memorandum of the geologic and waste disposal investigation of the East Coalinga Extension Oil Field, 1956; 1940 sanitary surveys for Fig Garden Area Co. Water District #1 and the Del Rey Sanitary District by the Bureau of Sanitary Engineering; effluent requirements for the Del Rey Cooperative Winery, 1951; tax information for Fresno County, 1945-1946.
62.2 Cottonseed oil waste characteristics, 1952.
62.3 Application of the City of Mendota for permit to construct and use a new sewage treatment plant with land disposal of plant effluent..., 1947.
62.4 Application for permit from the City of Fresno to construct a primary stage sewage treatment plant on the present sewer farm..., 1946.
62.5 Notes on proposed Firebaugh Sewerage System, 1924.
62.6 Report on sewage disposal at Fresno, 1921.
62.7 Chlorination studies, Fresno Sewage Plant, Fresno, California, 1948.
62.8 Application of B. Cribaria and Sons, Fresno, for permit to dispose of liquid winery wastes by intermittent irrigation, 1949.
62.9 Memoranda of inspections of Fresno County wineries, 1933.
62.10 Recommendation of the granting of permit to the City of Parlier to install a sewerage system and Imhoff tank on 10 acres of land on the S. H. Herring Place..., 1949.
62.11 Addenda to report on proposed Reedley sewage disposal works, 1924.
62.12 Report on proposed sewage disposal works at Reedley, 1924.
62.13 California State Board of Health report on the Kings River delta with particular reference to the sewage disposal of Reedley, 1915.
62.14 Application of the City of Reedley to construct new sewage works, 1924.
62.15 Proposed sewage disposal works at Reedley, resolution approving plans, findings and opinion, 1924.
Box Box 13
62.16 Application of the City of Reedley to construct new sewage works, 1924.
62.17 Application of the California Peach Growers Association to discharge the
liquid wastes of their plants at Reedley and Kingsburg, into the Kings River, 1918.
62.18 Application of the City of Reedley for permit to construct and operate
additions and alterations to the existing sewage treatment plant..., 1949.
62.19 Special report on a performance test of the Reedley sewage treatment
works, conducted December 26th to 30th, 1916, (inclusive), 1917.
62.20 Cottonseed oil waste characteristics, 1952.
62.21 Permit recommendation for the City of Coalinga to construct clarification
tank and enclosed separate sludge digestion tank at a site on the south bank of
Los Gatos Creek..., 1934.
62.22 Application of the City of Sanger for permit to construct and operate a
sewage treatment plant..., 1944.
62.23 Status of waste disposal, Fresno area, 1953.
62.24 Application from the City of Kingsburg for permit to construct and use a new
industrial waste disposal system..., 1947.
62.25 Application of the City of Coalinga to use the sewage effluent for irrigation
on approximately 100 acres of private land lying east of the sewage plant..., 1938.
62.26 Application of the Tranquility Public Utility District for permit to construct
and operate new sewerage and a new sewage treatment plant..., 1949.
62.27 Fresno County Water Works District No. 19 sanitary survey, 1959.
62.28 Fresno County Water Works District No. 2 sanitary survey, 1951.
62.29 Del Rey Water Works, sanitary survey, 1963.

Auberry
Box Box 13
63.1 California State Dept. of Public Health memorandum on the sanitary survey of
the Auberry area, Fresno County, 1950; report on water supply and sewage
disposal in the Auberry area, Fresno County, 1950; R.M. Potts survey of sewage
disposal conditions at Auberry, 1950.
63.2 Report on water supply and sewage disposal in the Auberry area, Fresno
County, 1950.

Big Creek
Box Box 13
64.1 Application of the Southern California Edison Company to dispose of sewage
in the Big Creek region, 1924.
64.2 Water supplies of the Southern California Edison Company at camps in the
vicinity of Big Creek, California, 1920.

Clovis
Box Box 13
65.1 General correspondence; lab results from the Bureau of Sanitary Engineering;
photographs of the Clovis Sewage Disposal (1941) and of Dry Creek, 1943.
65.2 Application of the City of Clovis for permit to construct a primary stage
sewage treatment plant on the Fred F. Miller property..., 1946.
65.3 Clovis sanitary survey, 1950.

Coalinga
Box Box 13
65.4 Coalinga sanitary survey, 1951.

Fowler
Box Box 13
65.5 Fowler sanitary survey, 1950.
Fresno (City)

Box Box 13

66.1 General correspondence; letters from the Bureau of Sanitary Engineering in regards to the effluent requirements for the City of Kerman, 1950-1951; tentative requirements for waste discharge for the City of Fresno; map showing the water system of the City of Fresno, 1922; location plan and topography of the City of Kerman sewage treatment plant, 1950.

66.2 Sewage disposal facilities of the City of Fresno, 1944.

66.3 Fire prevention and engineering standards, report on the City of Fresno, 1933.

Fresno Air Terminal

Box Box 13

67.1 General correspondence; biofilter data from the Fresno airport, 1941; analysis results from Hammer Field by the Bureau of Sanitary Engineering, 1944; photographs of the Fresno airport, 1941.

67.2 Engineering reports including design data, sewage treatment plant for Hammer Field Station Hospital, 1943.

67.3 Notes on water supply, sewage disposal, and garbage disposal for certain army airport cities, 1941.

Highway City

Box Box 13

67.5 Highway City sanitary survey, 1950.

Kerman

Box Box 13

67.6 Kerman sanitary survey, 1950.

67.7 Application of the City of Kerman for permit to construct new sewerage and sewage treatment plant..., 1949.

Kingsburg

Box Box 14

68.1 General correspondence; memorandum concerning Kingsburg industrial waste, 1937; 1940 sanitary survey for Kingsburg; notes on test of sewage treatment works at Kingsburg, 1923.

68.2 Application from the City of Kingsburg for permit to construct and use a new domestic sewage treatment plant..., 1947.

68.3 Permit recommendation for the City of Kingsburg to dispose of settled sewage to irrigate vineyards on lands of Jerome Nunes..., 1934

68.4 Application of the City of Kingsburg for permit to construct sewage treatment works and disposal adjacent to Kings River, 1918.

68.5 The granting of sewage disposal permit to the City of Kingsburg, 1918.

68.6 Application of the City of Kingsburg for permit to discharge sewage on sewer farm, 1916.

68.7 Kingsburg sanitary survey, 1951.

Orange Cove

Box Box 14

69.1 Ordinance no. 58, an ordinance of the City of Orange Cove regulating the disposal of industrial waste..., 1951.

Parlier

Box Box 14

70.1 General correspondence; 1940 sanitary survey.
Fresno County
Parlier

70.2 Application of the Board of Supervisors of Fresno County for permit to install a sprinkling filter plant at the Fresno County Tuberculosis Sanatorium at Auberry..., 1928.
70.3 Parlier sanitary survey, 1950.

Pinedale
Box Box 14
71.1 General correspondence (1942-1953).

Reedley
Box Box 14
72.1 General correspondence; proposed sewerage questionnaires from the California State Board of Health, 1941; 1940 sanitary survey.
72.2 Notes on action brought in the name of the State of California by the district attorney of Kings Co. vs. Reedley and the State Board of Health's part therein, 1948.
72.3 Pollution of Kings River by the sewage of Reedley, 1924.
72.4 Application of the City of Reedley for permit to construct an industrial and storm water sewer, 1921.

San Joaquin City
Box Box 14
73.1 Memorandum, sewer and water systems of San Joaquin City, 1939; photographs, sewer outlet, 1939.

Sanger
Box Box 14
74.1 General correspondence (1941-1952); 1940 sanitary survey, Sanger; photographs, China Slough, 1943.

Selma
Box Box 14
75.1 General correspondence; 1940 sanitary survey, Selma, 1941; photographs, Selma sewage disposal, 1941.
75.2 Interviews with persons surrounding the Selma Sewer Farm, 1939.
75.3 Application of the City of Selma for permit to construct and operate a sewage treatment plant to serve the City of Selma and its industries, 1949.
75.4 Application of the City of Selma for permit to construct sewer extensions and treatment works, 1920.
75.5 Selma sanitary survey, 1950.

Glenn County

County
Box Box 14
76.1 General correspondence; Dept. of Public Health analyses of the Sacramento River, 1959; road map of County of Glenn.

Hamilton City
Box Box 14
76.2 Hamilton City sanitary survey, 1958.
Glenn County
Orland

Box Box 14
77.1 Orland Sewer Farm diagrams, 1942-43; Orland topography map; application of permit to deposit and discharge into septic tank..., 1912; proposed sewerage questionnaires; photographs, Orland sewage disposal, 1942-43.
77.2 Application of the City of Orland for permit to construct and operate a complete new sewage treatment plant and to dispose of effluent to land, 1949.
77.3 Orland - Sewage, chronological record, 1946.
77.4 Orland Sewer Farm, three progress reports, 1942-43.
77.5 Sewer system and disposal plant: advertisement, proposal and specifications. Orland, California, 1912?

Willows
Box Box 14
78.1 Application of the City of Willows for permit to construct and operate intercepting and trunk sewers and a sewage treatment plant..., 1947.
78.2 Application of the City of Willows for permit to dispose of sewage onto sewer farm, 1916.
78.3 Willows sanitary survey, 1958.

Humboldt County
Box Box 15
79.1 General correspondence (1911-1954).
79.2 Survey of the effects of Log Pond wastes from Boulder Creek upon the water quality of Mad River, 1952.
79.3 A pollution study of the lower reaches of Eel River near Loleta, 1951.
79.4 Application of the Valley Flower Cooperative Creamy Co. for permit to make alterations and additions to the existing sewage and industrial waste disposal system at their plant near Ferndale, 1946.
79.5 Application of the Mutual Plywood Corporation for permit to construct and operate a sewage and industrial waste disposal system..., 1949.
79.6 Application of the Hammond Lumber Company for permit to install and operate two concrete septic tanks..., 1948.
79.7 Analysis of plans proposed sewage disposal system, Hammond Lumber Company, Samoa, 1950.

Arcata
Box Box 15
80.1 Application of the City of Arcata for permit to change location of proposed sewage treatment plant..., 1949.
80.2 Application of the City of Arcata for permit to construct and operate a sewage treatment plant..., 1948.

Blue Lake
Box Box 15
81.1 General correspondence.
81.3 Blue Lake Fire District No. 1, fire protection report, 1954.
81.4 City of Blue Lake sanitary survey, 1961.
81.6 Blue Lake Sanitary Survey July 22, 1958
81.8 Application of the Little River Redwood Company to continue to discharge sewage into Little River, 1922.

152.3 Region-wide sampling of sewage plant effluents, 1953.
152.4 Summary of oil seepage and current survey, Santa Monica Bay data, 1927.
152.5 Application of the cities of Los Angeles and Santa Monica for permit to construct an outfall sewer system to dispose of sewage..., 1927.
152.6 Application of the City of Santa Monica for permit to dispose of sewage into the sewer system of the City of Los Angeles..., 1946.
152.7 Report on the electrolytic purification of sewage as demonstrated at Santa Monica, Calif., 1909.
152.8 Report on a pollution survey of Santa Monica Bay beaches in 1942, 1943.
152.9 Santa Monica water supply, 1917.
152.10 Santa Monica water, 1931.
152.11 Santa Monica 1950 sanitary survey, 1951.
152.12 Santa Monica sanitary survey, 1963.

Saugus
Box Box 37
152.13 Saugus sanitary survey, 1956.

Sierra Madre
Box Box 37
153.1 Municipal fire protection report, 1938.

Signal Hill
Box Box 37
154.1 General correspondence (1938-1948); map of Long Beach and vicinity; photographs of Signal Hill sewage.
154.2 Application of the City of Signal Hill for permit to construct a trunk line sewer connecting with sewage collection system of City of Long Beach..., 1948.
154.3 Application of the City of Signal Hill to continue operation of the presently used sewage treatment plant, to install a new sewer effluent outfall..., 1945.
154.4 Application of the City of Signal Hill for permit to maintain an Imhoff tank-sprinkling filter-sand filter plant in Signal Hill..., 1931.

South Bay Cities Sanitation District
Box Box 37
155.1 General correspondence (1943-1948).
155.2 Application of the South Bay Cities Sanitation Districts to dispose of sewage to the City of Los Angeles..., 1925.
155.3 Application of the South Bay Cities Sanitation District for permit to discharge sewage originating in the South Bay Cities District into the sewerage system, treatment and disposal works of L.A. Co..., 1948.

South Pasadena
Box Box 37
156.1 Municipal fire protection report, South Pasadena, 1939.
156.2 South Pasadena sanitary survey, 1960.

South San Gabriel
Box Box 37
156.3 South San Gabriel sanitary survey, 1962.

Torrance
Box Box 37
157.1 General correspondence (1941-1949); map of the City of Torrance and vicinity, 1940.
157.3 Investigation of Pollution at Private Water Well, March 1953

Venice
Box Box 37
158.1 General correspondence (1914-1938).
158.2 Report on Venice sewage disposal, 1922.
158.3 State Board of Health declares bathing beach of City of Venice a menace to health and orders that beach be quarantined between Windward Avenue Pier and Walter Pier, 1923.
Vernon

Box Box 37

158.4 Vernon sanitary survey, 1952.

Watts

Box Box 37

159.1 Notes on action between the State Board of Public Health and City of Watts, 1949; [findings of the Supreme Court in the so-called Watts Case dealing with the requirement for permit for sewer construction], 1947.

West Covina

Box Box 37

159.2 West Covina sanitary survey, 1952.

Whittier

Box Box 38

160.1 General correspondence (1934-1948); photographs of the Whittier Trickling Filter, 1942.
160.2 Application of the City of Whittier for permit to make additions to the sewage treatment plant consisting of pre-aeration, primary clarification..., 1945.
160.3 Application of the City of Whittier to duplicate and improve the present Imhoff tank and sprinkling filters, 1927.
160.4 Application of the City of Whittier for permit to construct a new outfall sewer and a treatment plant..., 1923.
160.5 Odor control at the Whittier sewage disposal works.
160.6 Report on Whittier Sewage Disposal Plant, 1925.
160.7 A report upon the sewerage and sewage disposal of the City of Whittier, 1917.
160.8 Sewage disposal investigation, Whittier, Calif., 1943.

Wilmar

Box Box 38

160.9 Wilmar sanitary survey, 1952.

Madera County

Box Box 39

161.1 General correspondence (1921-1954).
161.2 Preliminary report on the water and sewerage systems; together with recommendations for sewage disposal and proposed City Hall for the City of Madera, 1921.
161.3 Application of the City of Madera for permit to reconstruct and continue to use the existing sewage treatment facilities, 1949.
161.4 Application of the City of Madera for permit to construct a sewage treatment plant, 1922.
161.5 Application from the City of Madera for permit to modify and continue to use existing sewage treatment facilities..., 1948.

Bass Lake

Box Box 39

162.1 Bass Lake inspection, 1952; 3 sanitation surveys of Bass Lake Camping and Picnic Areas..., 1951.
### Chowchilla

**Box Box 39**

- **163.1** General correspondence (1938-1954).
- **163.2** Application of the City of Chowchilla for permit to enlarge and improve the existing sewage treatment facilities..., 1948.
- **163.3** Recommendation for permit to the City Council of Chowchilla to construct and operate a sewer system and to dispose of sanitary sewage..., 1936.
- **163.4** Survey of industrial wastes, Chowchilla, Calif., 1948.
- **163.5** Chowchilla sanitary survey, 1950.

### Marin County

**Box Box 40**

- **164.1** General correspondence (1911-1954).
- **164.2** The Subdivision Ordinance, Marin County, 1953.
- **164.3** Application of the City of Larkspur for permit to construct and operate a trunk sewer, sewage pumping plant..., 1949.
- **164.4** Requirements check of Richardson Bay, Gallinas Creek, Phelps Slough, and Electric Co. discharge, 1953.
- **164.5** Tomales Bay survey, 1951.
- **164.6** Survey of Greenwood Beach and Strawberry Manor, Richardson Bay, 1950.
- **164.7** Survey of Venetia Harbor, 1950.
- **164.8** Study of certain sewage treatment and disposal facilities in Marin County, 1952.
- **164.9** Summary of information in Bureau of Sanitary Engineering files regarding sewerage systems in Marin County, 1952.
- **164.10** Application of the Board of Supervisors of Marin Co. for permit to intercept all the sewage in the area between Alto, Mill Valley and Sausalito..., 1945.
- **164.11** Application from E.N. Anderson, 101 Buena Vista Ave., Mill Valley for permit to construct and operate a sewage disposal system to serve the Hawthorne Terrace, Bates and Palmer Subdivisions..., 1949.
- **164.12** Application of G.T. Wendering, 51 Catalpa Ave., Mill Valley for permit to construct and operate a sewage disposal system to serve the Little Heights subdivision..., 1949.
- **164.13** Application from A. Van Rotz, 40 Greenfield Ave., San Anselmo, for permit to construct and operate a sewage disposal system to serve the Venetia Harbor subdivision..., 1949.
- **164.14** Permit recommendation for Clark and Pendergast to construct a sewer system in Bayview Terrace subdivision one..., 1944.
- **164.15** Description of proposed sewage disposal works for the Bolthin Convalescent Home, Marin Co., 1935.
- **164.16** Findings and recommendations of Supervisors Public Health Survey Committee, 1939.
- **164.17** Results of analyses and inspections on the sanitary features of the Marin Water District, 1918.
- **164.18** Report of the Board of Directors, Marin Municipal Water District, 1915.
- **164.20** Application of the Homestead Valley Sanitary District for permit to make connection with the Mill Valley Sewerage system..., 1949.
- **164.21** Application of the Rousseau-Tornell Co. for permit to construct and operate a septic tank and gravel packed leaching trench to serve Strawberry Manor subdivision..., 1948.
- **164.22** Application from Contractors Associated, Inc., for permit to construct and use two systems of septic tanks..., 1947.
- **164.23** Application from the Richardson Bay Sanitary District for permit to construct and operate a sewage treatment plant..., 1949.
Belvedere

Box Box 40

165.1 General correspondence (1916-1952).
165.2 Application of the City of Belvedere for permit to construct and operate a primary sewage treatment plant located southeast of Cliff Lane..., 1948.
165.3 Study of quality of waters in the vicinity of the City of Belvedere, 1952.

Physical Description: 2c.

Corte Madera

Box Box 40

166.1 General correspondence (1946-1950).
166.2 Application for permit from Sanitary District No. 2 of Marin Co. (Corte Madera) to construct and operate a sewage disposal system..., 1948.

Las Gallinas Valley Sanitary District

Box Box 41

167.1 General correspondence (1946-1964); newspaper clipping, 1965.
167.2 Application from John Z. Fung for permit to construct and use a septic tank installation to serve proposed Portola Gardens subdivision..., 1947.

Richardson Bay Sanitary District

Box Box 41

168.1 General correspondence (1948-1953).
168.2 Survey of Greenwood Beach and Strawberry Manor, Richardson Bay, 1950.

Novato

Box Box 41

169.2 Disposal of dairy wastes on Novato Creek watershed, North Marin County Water District, 1955.
169.3 Inspection of Novato sewage Treatment Plant and Ignacio Sewage Treatment Plant Sanitary District no. 6 of Marine County July 21, 1960

San Rafael

Box Box 41

170.1 Municipal fire protection report, San Rafael, Marin County, 1938.

Mariposa County

Box Box 41

171.1 General correspondence (1947-1954).

Mariposa

Box Box 41

Mendocino County

Box Box 41

Mendocino County

Inventory of the California Bureau of Sanitary Engineering Papers, 1911-1963

Mendocino County

173.2 Sewage disposal, Larkin Younce, Benstown, and Bruning divisions, Mendocino County, 1953.
173.3 Report on contamination at Old Lambert Mill, Mendocino County, Region 1, 1950.
173.4 Review of health facilities of Mendocino County, 1951.
173.5 Application from the City of Willits for permit to modify and enlarge the sewage treatment plant by construction of effluent ponds, pumping station and appurtenances on existing site..., 1947.
173.6 Application of Dos Palos Sanitary District for permit to construct sewer system, sewage pumping and sprinkling filter works..., 1925.
173.8 Mendocino County Sewerage Report, a planning study of sewerage needs for Mendocino County communities, 1953-1954.

Boonville And Anderson Valley

Box Box 41

174.1 General correspondence (1950-1951); 9 diagrams of various Anderson Valley Sanitary Survey locations, 1950; map of Anderson Valley showing dwellings and lumber mill locations, 1950; topographic map of Mendocino Co. Orrs quadrangle, 1943; photographs of Boonville and Anderson Valley.
174.2 Anderson Valley sanitary survey, Mendocino County, 1951.

Calpella Area

Box Box 41

175.1 General correspondence (1951-1954).

Fort Bragg

Box Box 41

176.1 General correspondence (1918-1952); Fort Bragg sewage survey, 1949.

Point Arena

Box Box 41

177.1 Review of Point Arena sewage plans, 1953; memorandum, Pt. Arena sewage disposal, 1947; 1940 sanitary survey.

Potter Valley

Box Box 41

178.1 General correspondence (1950-1953).

Ukiah Village

Box Box 41

179.2 Evaluations of disinfection procedures, Ukiah Village Sewage Treatment Plant, 1954.

Willits

Box Box 41

180.1 General correspondence (1940-1953).
180.2 Application of the City of Willits to modify the existing sewage treatment plant to provide mechanical clarification, separate digestion and effluent disposal to Broadus Creek, 1938.

211.11 Orange Park Acres sanitary survey, 1963.

Orange County Sanitation Districts

Box Box 45
212.1 Report on the status of Orange County beaches at the mouth of the Santa Ana River, 1948.
212.2 Survey of possible pollution and nuisance existing in the vicinity of the Orange County joint outfall, 1951.
212.3 Application for the renovation or the suspension of the sewage treatment permit of the City of Santa Ana and respondents, 1949.
212.4 Exhibits presented at hearing on Orange County joint outfall sewer permit review, 1948.
212.5 Application of the City of Santa Ana to dispose of sewage from the cities of Santa Ana, Anaheim, Fullerton and Orange into the Pacific Ocean, 1925.
212.6 Application of the City of Santa Ana to extend outfall sewer into the Pacific Ocean and build treatment works, 1926.
212.7 Revoking a joint permit granted to the cities of Santa Ana and Anaheim, and granting permits to the cities of Anaheim, Fullerton and Santa Ana for joint sewerage works, 1923.
212.8 Application of the cities Santa Ana and Anaheim for permit to jointly discharge partially clarified sewage into Pacific Ocean, 1921.
212.9 Application of the Orange County Sanitary District No. 1 on behalf of itself and districts nos. 2, 3, 5, 6, 7, and 11, for permit to construct and operate a primary treatment plant..., 1949.

Placentia

Box Box 45
212.10 Placentia sanitary survey, 1952.

San Clemente

Box Box 45
212.11 San Clemente sanitary survey, 1959.

San Juan Capistrano

Box Box 46
213.1 Map of Capistrano Beach well and sewage discharge location; photograph of San Juan Capistrano Sewage Plant, 1941.
213.2 Application of the Buena Park Sanitary District of Orange County for permit to construct sewerage works..., 1928.
213.3 Application of Buena Park Sanitary District to construct a bio-filter plant..., 1938.
213.4 Application of Capistrano Beach Sanitary District for permit to construct sewage clarification and separate digestion works..., 1931.
213.5 Notice to bidders, instructions to bidders, proposal and specifications for sewage treatment plant and outfall sewer for Capistrano Beach Sanitary District, 1932.
213.6 Application of the Sanitary District of San Juan Capistrano to construct sewerage works, 1924.
213.7 Permit recommendation for San Juan Capistrano Sanitary District to construct and operate a sewage treatment plant at the present septic tank, 1934.
213.8 San Juan Capistrano sanitary survey, 1952.

Santa Ana

Box Box 46

214.1 General correspondence (1912-1953).
214.2 An investigation of waste disposal in the lower reaches of the Santa Ana River, 1951.
214.4 [History of] Santa Ana municipal water system.
214.5 Santa Ana California City map, Santa Ana Chamber of Commerce, 1923.
214.6 Report on the City of Santa Ana, Calif., 1937.
214.7 Santa Ana, addendum to 1951 sanitary survey, 1959.

Seal Beach

Box Box 46

214.8 Seal Beach 1950 sanitary survey, 1951.
214.9 Seal Beach sanitary survey, 1962.

Stanton

Box Box 46

214.10 Stanton sanitary survey, 1952.

Tustin

Box Box 46

214.11 Tustin sanitary survey, 1958.

Villa Park

Box Box 46

Westminster

Box Box 46

Yorba Linda

Box Box 46

Placer County

Box Box 47

215.1 General correspondence (1945-1952); assessment map of the town of Foresthill, Calif., 1933; photographs of Tahoe Tavern sewage ponds, 1951.
215.2 Application of the City of Lincoln for permit to construct and operate a new sewage treatment plant..., 1949.
215.3 A report upon the sewerage and sewage disposal of the Newcastle Sanitary District, 1913.
215.4 Report on an investigation of the quality of certain drinking water supplies in Placer County, 1921.

**Auburn**

Box Box 47

216.1 General correspondence (1913-1948); Auburn area map, 1948.
216.2 Application of the City of Auburn for a permit to operate a bio-filtration plant at the site of the present Imhoff tank..., 1939.
216.3 [Report on the water supply for Auburn, Newcastle, Rocklin, Lincoln and Roseville.], 1915.
216.4 Sanitary aspects of the water supply of Colfax, Auburn, Newcastle, Loomis and Rocklin, 1916.
216.5 Auburn sanitary survey, 1962.

**Colfax**

Box Box 47

216.6 Colfax sanitary survey, 1961.

**Foresthill**

Box Box 47

216.7 Application of the City of Colfax for permit to construct and operate a high rate filter..., 1946.
216.8 Foresthill sanitary survey, 1954.

**Lincoln**

Box Box 47

217.1 General correspondence (1940-1954); photographs of Lincoln septic tank, 1951.
217.2 Water supply of Lincoln, 1917.
217.3 Lincoln sanitary survey, 1954.

**Loomis**

Box Box 47

218.1 Sanitary survey for Loomis Sanitary District, Bureau of Sanitary Engineering, 1940.
218.2 Loomis sanitary survey, 1962.

**Newcastle**

Box Box 47

**Rocklin**

Box Box 47

**Roseville**

Box Box 47

219.5 Application of the City of Roseville for permit to construct and operate a sewage treatment plant..., 1949.
Weimar Medical Center

Box Box 47

220.1 Application of the Hospital Central Committee, Weimar Joint Sanatorium for permit to construct and operate a sprinkling filter plant with disposal of effluent into Wooley Creek, 1927.

Plumas County

Box Box 47

221.1 General correspondence (1943-1951).
221.3 Lake Almanor Country Club subdivision sanitary survey, 1955.

Chester Sanitary District

Box Box 47

222.1 General correspondence (1943-1953).
222.2 Application from the Chester Sanitary District for permit to construct and operate a sewage collection system and sewage treatment plant, 1947.

Greenville

Box Box 47

223.1 Design diagram of Greenville sewage disposal system, 1947; Sutzer Forest Products Inc. housing project diagram.
223.2 Greenville sewage disposal survey, 1953.
223.3 Greenville sanitary survey, 1952.

Portola

Box Box 47

224.1 General correspondence (1913-1953); photographs of Portola and its sewage plant, 1941 and 1952.
224.1 Application from the Portola Sanitary District for permit to construct and operate a sewage treatment plant..., 1948.

Quincy

Box Box 47

225.1 General correspondence (1939-1954); photographs of Quincy sewage disposal site, 1941.
225.2 Application of the Quincy Sanitary District for permit to construct and operate a sewage disposal system and to discharge an oxidized effluent to land, 1948.

Riverside County

Box Box 48

226.1 General correspondence (1911-1954); photographs of La Quinta, Coachella and Hemet sewage disposals, 1937-1941.
226.3 Preliminary report on sanitary sewer district for Beaumont, Calif., 1928.
226.4 Specifications for sanitary separate sewer, District No.1, City of Beaumont, 1928.
226.5 Application of the City of Beaumont to construct sewerage works and to discharge Imhoff tank and sprinkling filter effluent into San Timotto Canyon, 1928.
